DOGIBIXO RLY-7059-Q-G

DOGIBIXO Queen Size Bed Frame with LED Lights

Model: RLY-7059-Q-G

Introduction

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your DOGIBIXO Queen Size Bed Frame with LED Lights. This upholstered bed frame features a wingback diamond tufted headboard, wood slat support, and integrated LED lighting. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and safe operation.

Safety Information

Please observe the following safety guidelines to prevent injury or damage to the product:

- **Weight Capacity:** Do not exceed the maximum weight capacity of 1000 lbs. Exceeding this limit may cause damage to the bed frame and could pose a risk of injury.
- **Assembly:** Improper assembly may result in instability or collapse, posing a risk of injury. Always follow the provided assembly instructions carefully.
- **Noise-Free Design:** Ensure all Velcro and soft pads are correctly installed as per instructions to maintain the noise-free design and prevent creaking sounds.
- **Electrical Components:** Handle LED lights and associated wiring with care. Do not expose to water or excessive moisture.

Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Headboard
- Footboard
- Side Rails
- Wood Slats (12 high-quality solid wood slats)
- Support Legs (9 supporting legs)
- LED Lights Strip
- Remote Control for LED Lights
- Assembly Hardware (screws, bolts, etc.)
- Installation Manual

Setup and Assembly

Assembly is designed to be straightforward. No additional tools are required beyond what is provided. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided part numbers in the instruction manual.
2. **Assemble Headboard:** Attach any necessary support structures to the headboard as indicated in the manual.
3. **Attach Side Rails:** Connect the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
4. **Install Support Legs:** Securely attach the 9 supporting legs to the bed frame. Ensure the soft pads are placed under each leg to protect your floor and reduce noise.
5. **Place Wood Slats:** Position the 12 solid wood slats across the bed frame. Utilize the Velcro design on both sides of the gray bed frame to firmly fix the slats, preventing movement and creaking sounds.
6. **Install LED Lights:** Attach the LED light strip to the designated area on the headboard, typically along the back or top edge, following the specific instructions for wiring and power connection.
7. **Final Check:** Verify all screws and bolts are tightened, and the frame is stable.

PRODUCT DIMENSIONS

WEIGHT CAPACITY	DIMENSIONS	SPECIFICATION
1000lbs	84.65”L × 63.39”W × 41.93”H	Queen Size

Image: Close-up views highlighting the Velcro design for securing slats, soft foam pads for anti-noise, and protective feet pads for squeak resistance and floor protection.

Operating LED Lights

Your bed frame is equipped with smart LED lights for customizable ambiance. The lights can be controlled via the included remote control or a compatible mobile application.

- **Power On/Off:** Use the designated button on the remote or app to turn the LED lights on or off.
- **Color Selection:** Choose from 16 available colors to match your preference.
- **Scene Modes:** Select from 4 pre-programmed scene modes for dynamic lighting effects.
- **Brightness Adjustment:** Adjust the brightness level to your desired intensity.

Maintenance

To ensure the longevity and appearance of your bed frame, follow these maintenance guidelines:

- **Cleaning:** Wipe the upholstered surfaces with a dry cloth. For minor spills, gently blot with a clean, damp cloth and allow to air dry. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **LED Lights:** Keep the LED light strip and controller free from dust. If the lights malfunction, check connections before contacting support.

Troubleshooting

If you encounter any issues with your bed frame, refer to the following common problems and solutions:

- **Bed Frame is Noisy/Creaking:**
  - Ensure all assembly hardware is securely tightened.
  - Verify that the Velcro strips on the side rails are properly securing the wood slats.
  - Check that the soft pads are correctly installed under each support leg.
- **LED Lights Not Working:**
  - Check if the power adapter is securely plugged into a working outlet and the LED strip.
  - Ensure the remote control has working batteries and is pointed directly at the receiver.
  - If using an app, ensure Bluetooth or Wi-Fi connection is active and the app is updated.
- **Bed Frame Feels Unstable:**
  - Re-check all connections and tighten any loose bolts or screws.
  - Ensure the bed frame is placed on a level surface.
  - Verify that the support legs are evenly distributed and making full contact with the floor.
- **Bed Frame Sliding on Hardwood Floors:**
  - Consider placing rubber furniture stoppers or non-slip pads under the bed frame legs to prevent movement.

Specifications

Brand	DOGIBIXO
Model Number	RLY-7059-Q-G
Size	Queen
