Yardstick EARDA06

Yardstick Open Ear Wireless Bluetooth Headphones EARDA06 User Manual

Model: EARDA06 | Brand: Yardstick

Introduction

Thank you for choosing the Yardstick Open Ear Wireless Bluetooth Headphones. This manual provides detailed instructions on how to set up, operate, and maintain your headphones to ensure optimal performance and longevity. Please read this manual carefully before using the product and retain it for future reference.

Safety Information

To ensure safe and proper use, please observe the following guidelines:

- Do not disassemble, repair, or modify the headphones.
- Keep the headphones away from extreme temperatures, humidity, and corrosive substances.
- Avoid prolonged exposure to loud volumes to prevent hearing damage.
- Be aware of your surroundings when using open-ear headphones, especially in traffic or hazardous environments.
- Keep out of reach of children and pets.

Figure 1: Open-ear design allows awareness of surroundings, suitable for outdoor activities like cycling.

Package Contents

Please check the package for the following items:

- Yardstick Open Ear Wireless Bluetooth Headphones (1 unit)
- USB Type-C Charging Cable (1 unit)
- User Manual (1 unit)

Product Overview

The Yardstick EARDA06 headphones feature an open-ear design for comfort and situational awareness, touch controls, and a lightweight, flexible structure.

Figure 2: The headphones are designed for a firm, lightweight, and comfortable fit, with a super elastic and recoverable structure.

Control Layout

Figure 3: Overview of the touch control functions and physical features including the Type-C charging port.

- **LED Power Indicator:** Displays battery level.
- **Indicator Light:** Shows device status (pairing, connected, charging).
- **Microphone:** For calls.
- **Touch Function Keys:** For various controls.
- **Type-C Charging Port:** For charging the device.

Setup

1. Charging the Headphones

Before first use, fully charge the headphones. Connect the provided USB Type-C charging cable to the charging port on the headphones and the other end to a USB power adapter (not included) or a computer's USB port.

- The LED power indicator will show the charging status.

- A full charge provides approximately 20 hours of music playback time and 300 hours of standby time.

Figure 4: The headphones offer extended battery life and are IP55 waterproof.

2. Powering On/Off

- **Power On:** Press and hold the power button (refer to Figure 3 for location) for approximately 3 seconds until the indicator light flashes.
- **Power Off:** Press and hold the power button for approximately 5 seconds until the indicator light turns off.

3. Bluetooth Pairing

To connect your headphones to a device:

1. Ensure the headphones are powered off.
2. Press and hold the power button for about 5-7 seconds until the indicator light flashes red and blue alternately, indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.

4. Select "EARDA06" (or similar model name) from the list of found devices.
5. Once connected, the indicator light will flash blue slowly.

4. Wearing the Headphones

Place the headphones over your ears with the ear hooks resting securely behind your ears. The open-ear design ensures comfort and allows ambient sound awareness.

Figure 5: The open-ear design provides a lightweight and secure fit while delivering high-quality sound.

Operating Instructions

The headphones feature intuitive touch controls for various functions:

Function	Action
Play/Pause Music	Single tap on the touch function key.

Function	Action
Next Song	Long press the right touch function key.
Previous Song	Long press the left touch function key.
Volume Up	Short press the right touch function key.
Volume Down	Short press the left touch function key.
Answer/End Call	Single tap on the touch function key during an incoming call.
Reject Call	Long press on the touch function key during an incoming call.
Activate Voice Assistant	Triple tap on the touch function key.

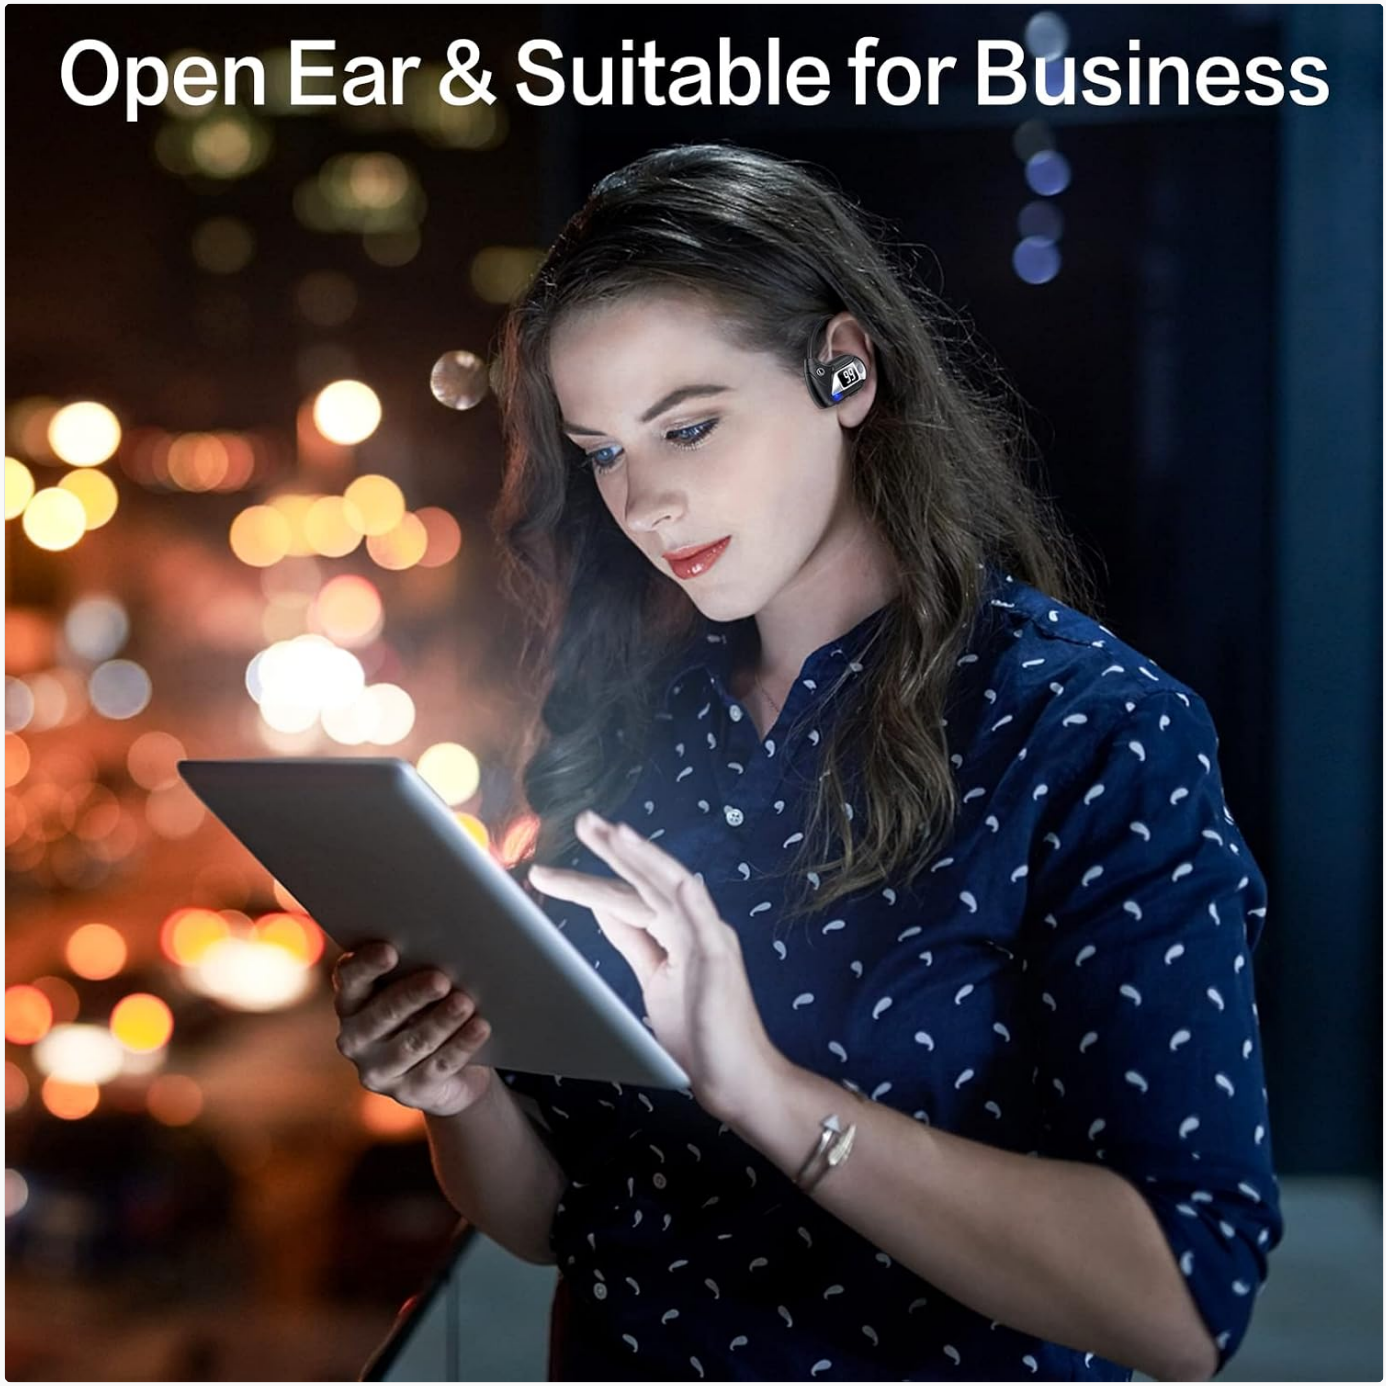

Figure 6: The open-ear design is suitable for various environments, including business settings.

Maintenance

Cleaning

Wipe the headphones with a soft, dry cloth. Do not use abrasive cleaners or solvents. Ensure the charging port is dry before charging.

Storage

Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. Avoid placing heavy objects on them.

Water Resistance

The headphones are rated IP55 for water resistance, meaning they are protected against dust and low-pressure water jets from any direction. They are suitable for use during workouts and light rain, but should not be submerged in water.

Troubleshooting

If you encounter issues with your headphones, please refer to the following common solutions:

- **No Power:** Ensure the headphones are fully charged.
- **Cannot Pair:**
  - Ensure Bluetooth is enabled on your device.
  - Make sure the headphones are in pairing mode (indicator light flashing red and blue).
  - Move the headphones closer to your device.
  - Try restarting both the headphones and your device.
- **No Sound:**
  - Check the volume level on both the headphones and your connected device.
  - Ensure the headphones are properly connected to your device.
  - Try disconnecting and reconnecting the Bluetooth connection.
- **Poor Sound Quality:**
  - Ensure there are no obstructions between the headphones and your device.
  - Move away from sources of strong electromagnetic interference.
