Operating Instructions

Power On/Off

Press the power button, typically located at the bottom center of the tablet, to turn the device on or off.

Language Selection

The tablet supports both English and Spanish. To switch between languages, locate and press the "Español/English" button, usually found on the bottom right of the button panel.

Interactive Learning Modes

The tablet features touch-sensitive buttons that respond with sounds and spoken words. Explore the various learning modes:

- **Letters Learning:** Press any letter button (A-Z) to hear the letter pronounced and a corresponding word.
- **Words Learning:** Press an image associated with a word to hear the word spoken.
- **Spelling Games:** Engage in activities that help with spelling words.
- **Interactive Quiz ("Where is..?"):** The tablet will ask "Where is...?" followed by a letter, number, or word. Press the correct corresponding button to answer. This mode promotes interactive learning and recognition.
- **Numbers Learning:** Press number buttons (1-10) to hear the numbers pronounced.
- **Introduction to Music:** Certain buttons may activate musical sounds or melodies.
- **Repeat Function:** Press the "Repeat" button to hear the last spoken word or phrase again.
