ProAuto Car Stereo End Caps

ProAuto Car Stereo End Caps User Manual

For IRV Technology RV Radio Models: IRV36, IRV62, IRV63

Brand: ProAuto | Model: Car Stereo End Caps

1. INTRODUCTION

This manual provides instructions for the installation and use of ProAuto Car Stereo End Caps. These end caps are designed to provide a decorative finish and secure mounting for specific IRV Technology RV car stereo models.

2. PRODUCT OVERVIEW

The ProAuto Car Stereo End Caps are plastic cover plates designed to attach to the sides of compatible RV car stereos. They feature integrated magnets for easy, screw-free installation and removal.

Key Features:

- Designed for IRV Technology car stereo models IRV36, IRV62, and IRV63.
- Pair of two (2) side plastic cover plates.
- Magnetic attachment for simple installation and removal.
- Provides a finished, decorative appearance for wall-mounted car audio receivers.

3. COMPATIBILITY

These end caps are specifically designed for use with the following IRV Technology RV car stereo models:

- IRV36
- IRV62
- IRV63

Ensure your car stereo model matches one of the listed compatible units before installation.

4. INSTALLATION INSTRUCTIONS

The end caps are designed for easy, tool-free installation using integrated magnets.

- 1. Identify the Stereo Sides:** Locate the side panels of your compatible IRV Technology RV car stereo where the end caps are to be attached.
- 2. Orient the End Cap:** Take one end cap and observe its shape. It is designed to fit snugly against the side of the stereo. The side with the magnets should face the stereo unit.
- 3. Attach the First End Cap:** Align the end cap with one side of the stereo. The magnets will naturally pull the end cap into place, securing it without the need for screws or adhesives.
- 4. Attach the Second End Cap:** Repeat the process for the other side of the stereo with the second end cap.
- 5. Verify Secure Attachment:** Gently tug on each end cap to ensure it is firmly held in place by the magnets.

Figure 4.1: Back view of an end cap, illustrating the embedded magnet for secure attachment to the stereo unit.

5. OPERATION (REMOVAL)

To remove the end caps, simply grasp the edge of the cap and gently pull it away from the stereo. The magnetic attachment allows for convenient removal by hand without requiring any tools.

6. MAINTENANCE

- **Cleaning:** Wipe the end caps with a soft, damp cloth to remove dust or smudges. Avoid using abrasive cleaners or solvents, as these may damage the plastic finish.
- **Inspection:** Periodically check the end caps for any signs of damage or wear. Ensure the magnets remain securely embedded within the plastic.
- **Storage:** If removed for an extended period, store the end caps in a clean, dry place to prevent damage.

7. TROUBLESHOOTING

- **End Cap Does Not Attach Securely:**

- Ensure the end cap is correctly oriented with the magnets facing the stereo.
- Verify that your stereo is one of the compatible IRV Technology models (IRV36, IRV62, IRV63).
- Check for any obstructions between the end cap and the stereo that might prevent magnetic contact.
- Inspect the magnets on the end cap for damage or dislodgement.

- **End Cap Appears Loose:**

- Re-seat the end cap, ensuring it snaps firmly into place.
- Confirm that the stereo's side panels are clean and free of debris.

8. SPECIFICATIONS

Feature	Detail
Product Type	Car Stereo End Caps
Brand	ProAuto
Compatibility	IRV Technology IRV36, IRV62, IRV63
Material	Plastic with Magnets
Dimensions (each cap)	Approximately 4.5 x 0.9 x 0.2 inches
Item Weight (pair)	Approximately 3.52 ounces
Manufacturer	ProAuto

9. WARRANTY INFORMATION

ProAuto provides a **6-month warranty on parts** for these Car Stereo End Caps from the date of purchase. This warranty covers manufacturing defects and material flaws under normal use. It does not cover damage resulting from misuse, accident, modification, or unauthorized repair.

Please retain your proof of purchase for warranty claims.

10. CUSTOMER SUPPORT

For technical assistance, warranty claims, or any questions regarding your ProAuto Car Stereo End Caps, please contact your retailer or the manufacturer directly. Refer to your purchase documentation for specific contact details.
