ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Hikiddo Electric Ride-On Truck. Refer to the included video for visual guidance.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Verify all components are present against the parts list in your manual.

Figure 2: All parts laid out for assembly.

- 2. Attach Side Panels:** Secure the side panels to the main chassis using the provided screws. Ensure they click into place firmly.

Figure 3: Attaching the side panels to the chassis.

3. **Install Wheels:** Attach the EVA rubber tires to the axles. Ensure the washers and locking pins are securely fastened to prevent the wheels from detaching.

Bright LED Lights

Realistic driving thrills for kids

Figure 4: Securing the EVA tires.

4. **Mount Front Bumper:** Securely attach the front bumper to the chassis.

Single Purchase Dual Delight

Two-seater with 3 point seat belt

Figure 5: Attaching the front bumper.

5. **Install Roll Bar and Lights:** Assemble the roll bar and attach the LED lights. Then, secure the entire assembly to the rear of the truck.

Bluetooth Connection

Connect, play, and explore more fun

Figure 6: Installing the roll bar and lights.

6. **Connect Battery:** Open the hood and connect the battery terminals. Ensure a secure connection.
7. **Install Steering Wheel:** The steering wheel features a quick-install design. Simply align and push until it locks into place.
8. **Secure Seats and Seatbelts:** Place the seats into position and ensure the 3-point seatbelts are properly installed and functional.

OPERATING INSTRUCTIONS

Driving Modes

- **Manual Driving:** Children can operate the truck using the foot pedal and steering wheel.
- **Parental Remote Control:** Adults can override manual control at any time using the included remote control for added safety and guidance. The remote offers three speed settings and an emergency stop button.

Figure 8: Parental remote control in use.

2WD/4WD Switch

The truck features a switch to toggle between 2-wheel drive (2WD) and 4-wheel drive (4WD) modes. Use 2WD for smoother, safer rides for beginners and 4WD for more powerful outdoor adventures on varied terrains.

Lights and Entertainment

- **LED Lights:** Turn on the bright LED lights for a realistic driving experience, especially in low-light conditions.

Soft Start Technology

Gentle acceleration for safe rides

SAFETY GUIDELINES

- Always ensure children wear the 3-point seat belts when operating the vehicle.
- Adult supervision is required at all times. Use the parental remote control to intervene if necessary.
- Do not operate the vehicle near roads, steep inclines, swimming pools, or other hazardous areas.
- Ensure the vehicle is fully charged before each use to avoid unexpected power loss.
- The recommended age for this product is 3-8 years. Do not allow children outside this age range to operate the vehicle.

MAINTENANCE

- **Charging:** Charge the battery fully after each use. Do not overcharge.
- **Cleaning:** Wipe the vehicle with a damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the vehicle in a dry, cool place away from direct sunlight when not in use. Disconnect the battery if storing for extended periods.
- **Tire Care:** Regularly inspect EVA tires for wear and tear.

TROUBLESHOOTING

- **Vehicle Not Moving:** Check battery connections and ensure the battery is charged. Verify the power switch is in the 'ON' position.
- **Remote Not Working:** Ensure batteries in the remote are fresh and correctly inserted. Re-pair the remote with the vehicle if necessary (refer to the full manual for pairing instructions).
- **Reduced Power/Speed:** This may indicate a low battery charge. Charge the battery fully.

WARRANTY AND SUPPORT

For warranty information, product support, or to purchase replacement parts, please refer to the product packaging or visit the official Hikiddo website. Keep your purchase receipt as proof of purchase.
