SETUP AND ASSEMBLY

Follow the step-by-step visual instructions provided in the included printed manual for detailed assembly. The process involves connecting the 408 building blocks to construct the Lamborghini Urus model.

1. **Preparation:** Unpack all building blocks and sort them by color or type to facilitate assembly.
2. **Base Construction:** Begin by assembling the chassis and base structure of the vehicle.
3. **Bodywork:** Gradually add the body panels, ensuring secure connections for each piece.
4. **Interior Details:** Install any interior components as indicated in the manual.
5. **Wheels and Accessories:** Attach the wheels and any other external accessories, such as mirrors or spoilers.
6. **Final Inspection:** Review the completed model to ensure all parts are correctly placed and securely fastened.
