GreenLaw GL168

Greenlaw iPad 11th Gen (A16, 2025) / 10th Gen (2022) Keyboard Case User Manual

Model: GL168

1. Introduction

Thank you for purchasing the Greenlaw Keyboard Case for iPad 11th Generation (A16, 2025) and iPad 10th Generation (2022). This manual provides essential information for setup, operation, and maintenance of your new keyboard case. Please read it thoroughly before use.

Product Overview

This keyboard case combines a protective cover with a detachable Bluetooth keyboard, enhancing your iPad's functionality for typing, navigation, and media consumption. It features a JIS Japanese layout, multi-device pairing, and a responsive touchpad.

Package Contents

- Greenlaw Keyboard Case
- Detachable Bluetooth Keyboard
- USB-C Charging Cable
- User Manual (this document)

2. Compatibility

This keyboard case is specifically designed for the following iPad models:

- iPad 11th Generation (A16, 2025)

- iPad 10th Generation (2022, Models: A2696/A2777/A2757)

Important Note:

- This product is NOT compatible with iPad Air 5th Generation or iPad Air 4th Generation.
- Due to differences in tablet magnet placement, the keyboard may not fit perfectly with incompatible models.
- Please verify your iPad model number on the back of your device before use.

3. Setup

3.1 Keyboard Charging

Before initial use, ensure the keyboard is fully charged. Connect the provided USB-C charging cable to the keyboard's charging port and a power source.

Image 3.1: Connecting the USB-C charging cable to the keyboard.

3.2 Case Assembly

1. Gently insert your compatible iPad into the protective case, ensuring all ports and buttons align correctly.
2. The keyboard is detachable and attaches magnetically to the case. Position the keyboard on the designated area of the case.

The case also features a dedicated holder for your Apple Pencil.

3.3 Bluetooth Pairing

The keyboard supports multi-pairing with up to two devices.

1. Turn on the keyboard by sliding the power switch to 'ON'. The indicator light will flash.
2. On your iPad, go to Settings > Bluetooth and turn Bluetooth 'On'.
3. Press the **Fn + C** keys simultaneously on the keyboard to enter pairing mode. The Bluetooth indicator light will blink rapidly.
4. On your iPad, locate 'Bluetooth Keyboard' in the list of available devices and tap to connect. The indicator light on the keyboard will stop flashing once connected.
5. To pair a second device (e.g., an iPhone), press **Fn + W (BT2)** on the keyboard to switch to the second Bluetooth channel. Repeat steps 2-4 for the second device.

6. To switch between paired devices, simply press **Fn + Q (BT1)** for the first device or **Fn + W (BT2)** for the second device.

4.2 Backlight Adjustment

The keyboard is equipped with 7-color LED backlighting and 3 adjustable brightness levels. This allows for comfortable typing in various lighting conditions.

- To turn on/off the backlight and adjust brightness, press **Fn + Kana** key.
- To change the backlight color (7 colors available), press **Fn + English/Number** key.

5. Maintenance

5.1 Cleaning the Case

The semi-silicone material of the case is designed to be stain-resistant and anti-yellowing. In case of spills (ink, coffee, food), simply wipe the surface clean with a damp cloth within 5 minutes.

6. Troubleshooting

- **Keyboard not connecting via Bluetooth:**
  Ensure the keyboard is charged and powered on. Make sure Bluetooth is enabled on your iPad. Press Fn+C (or Fn+Q/Fn+W for specific channels) to enter pairing mode. If the issue persists, try forgetting the device on your iPad and re-pairing.
- **Keys not responding:**
  Check if the keyboard is connected. Recharge the keyboard if the battery is low. Restart both the keyboard and your iPad.
- **Touchpad not working:**
  Verify that your iPadOS is version 13.4 or later. Ensure the touchpad is enabled in your iPad's settings (Settings >

Accessibility > Touch > AssistiveTouch).

- **Backlight not working/changing:**
  Ensure the keyboard is powered on. Use Fn+Kana to cycle through brightness levels and Fn+English/Number to change colors.
