› Kaistyle MagSafe Wireless Car Charger Mount (Model 027685812216) Instruction Manual

## Kaistyle 027685812216

# Kaistyle MagSafe Wireless Car Charger Mount Instruction Manual

Model: 027685812216

Brand: Kaistyle

## 1. PRODUCT OVERVIEW

The Kaistyle MagSafe Wireless Car Charger Mount provides a secure and convenient way to mount and wirelessly charge your compatible iPhone in your vehicle. It offers versatile installation options for both dashboard and air vent use, featuring strong magnetic attachment and fast wireless charging capabilities.

## 2. PACKAGE CONTENTS

Please verify that all items are present in the package:

- 1x 15W Fast Charging MagSafe Head
- 1x Adhesive Base (for dashboard mounting)
- 1x Metal Hook Vent (for air vent mounting)
- 1x USB Charging Cable
- 1x Wipe (for cleaning dashboard surface)
- 1x Installation Manual (this document)
- 1x Metal Ring (for non-MagSafe cases)

### 3. SETUP AND INSTALLATION

The Kaistyle MagSafe Wireless Car Charger Mount offers two primary installation methods: dashboard mounting and air vent mounting.

#### 3.1 Dashboard Mount Installation

1. **Choose Location:** Select a flat, clean, and smooth surface on your dashboard that does not obstruct your view or interfere with vehicle controls.
2. **Clean Surface:** Use the provided wipe to thoroughly clean the chosen dashboard area. Allow it to dry completely.
3. **Prepare Adhesive Base:** Peel off the protective film from the 3M adhesive on the bottom of the adhesive base.
4. **Attach Base:** Firmly press the adhesive base onto the cleaned dashboard surface for at least 30 seconds. Apply pressure to ensure strong adhesion.
5. **Allow Curing Time:** For optimal adhesion, allow the adhesive to cure for 24 hours before attaching the charger head or placing a phone on the mount.
6. **Attach Charger Head:** Connect the MagSafe charger head to the ball joint of the adhesive base and tighten the collar to secure it.

Image: A detailed view of the adhesive base with 3M adhesive, designed for secure dashboard mounting.

### 3.2 Air Vent Mount Installation

1. **Choose Vent:** Select a horizontal or vertical air vent. **Note:** This mount is not compatible with round air vents.
2. **Attach Metal Hook:** Insert the metal hook of the vent mount into one of the vent blades.
3. **Secure Mount:** Rotate the locking knob on the vent mount to securely tighten the hook onto the vent blade. Ensure it is firmly attached and does not wobble.
4. **Attach Charger Head:** Connect the MagSafe charger head to the ball joint of the vent mount and tighten the collar to secure it.

# Upgraded Metal Hook

Never slip, break, or scratch up the blade

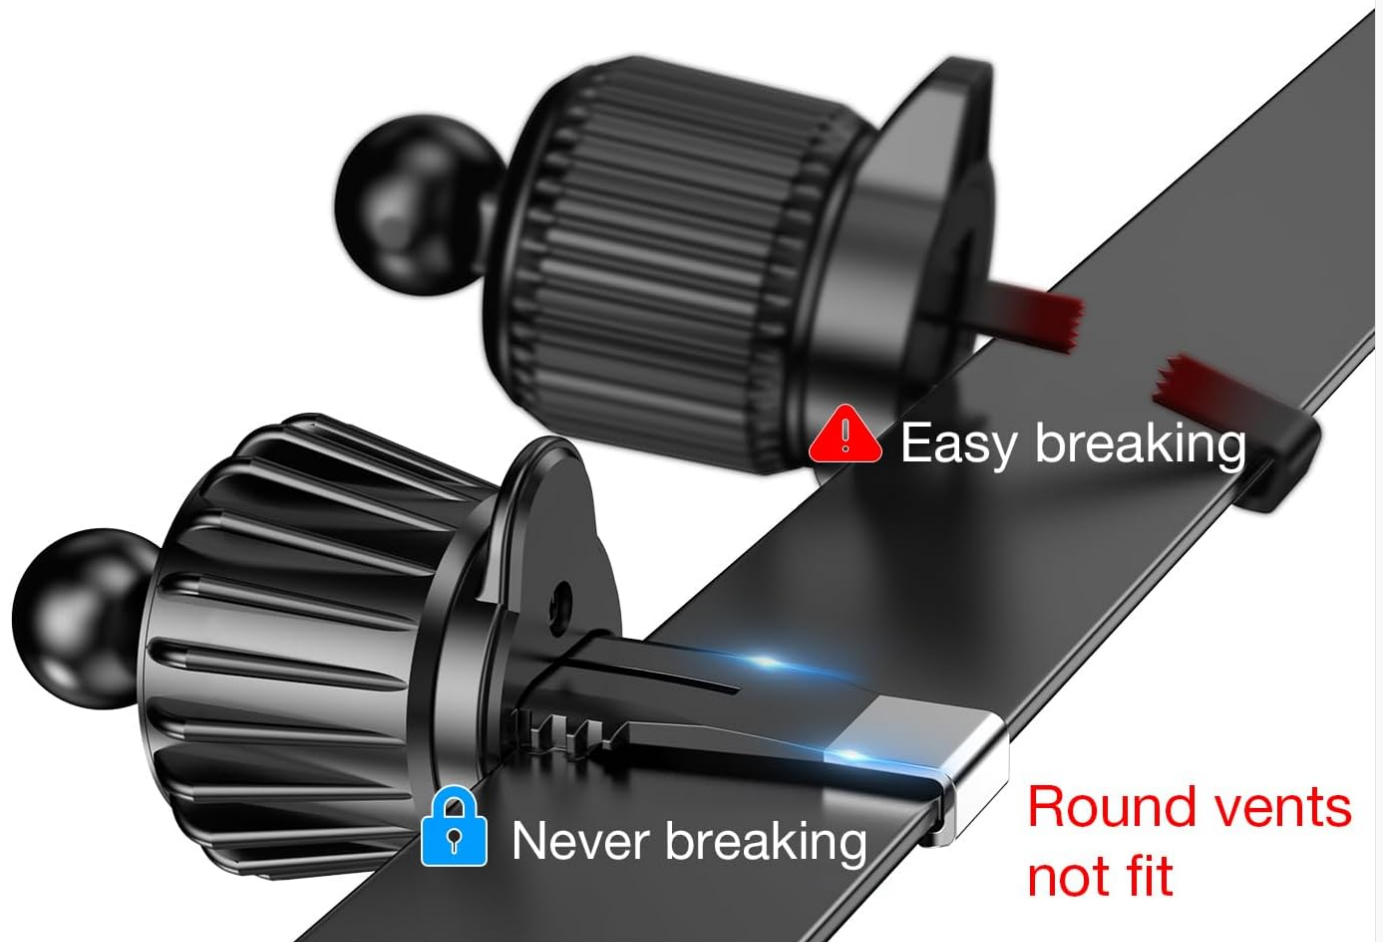

Image: An illustration demonstrating the installation of the upgraded metal hook vent mount and indicating compatibility with horizontal and vertical vents, while showing incompatibility with round vents.

## 4. OPERATING INSTRUCTIONS

### 4.1 Power Connection

Connect the provided USB charging cable to the Kaistyle MagSafe charger head and plug the other end into a car charger adapter (not included). For fast charging, a QC 3.0 compatible car charger adapter of 18W or higher is required.

### 4.2 Attaching Your Phone

- Ensure your iPhone is MagSafe compatible (iPhone 12 series or newer) or is housed in a MagSafe-compatible case.
- If your phone case is not MagSafe compatible, use the included metal ring by adhering it to the back of your phone case to enable magnetic attachment.
- Simply bring your iPhone close to the MagSafe charger head. The strong magnets will automatically align and securely attach your phone.

### 4.3 Wireless Charging

Once your phone is securely attached, wireless charging will begin automatically. The charger supports up to 15W fast

wireless charging. The magnetic alignment ensures optimal charging efficiency.

Image: A visual representation of 15W Pro Charging, highlighting 100% alignment between the phone and the charger for efficient power transfer.

#### 4.4 Adjusting Viewing Angle

The charger head features a 360-degree rotatable ball joint, allowing you to easily adjust your phone's viewing angle between portrait and landscape orientations for optimal navigation or hands-free use.

## 5. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the charger and mount. Avoid using abrasive cleaners or solvents.
- **Adhesive Care:** If using the dashboard mount, ensure the adhesive area remains clean and free of dust or debris to maintain strong adhesion.
- **Vent Mount Care:** Periodically check the tightness of the vent mount's locking knob to ensure it remains secure.
- **Material:** The charger is crafted with non-slip silicone and scratch-resistant acrylic for durability. Avoid sharp objects that could scratch the surface.

## 6. TROUBLESHOOTING

- **Phone not charging:**
  - Ensure the USB cable is securely connected to both the charger head and the car charger adapter.
  - Verify that the car charger adapter is functioning and providing power.
  - Confirm your phone is correctly aligned with the MagSafe charger.
  - Check if your phone or case is MagSafe compatible. If not, ensure the metal ring is properly attached to your case.
  - For fast charging, ensure your car charger adapter is QC 3.0 compatible and 18W or higher.
- **Phone not holding securely:**
  - Ensure your phone or case is MagSafe compatible.
  - If using a non-MagSafe case, verify the metal ring is correctly positioned and adhered.
  - Check for any obstructions between the phone and the charger head.
  - The magnets are designed to hold firmly; ensure the phone is centered on the charging pad.
- **Mount is loose (Dashboard):**
  - Ensure the dashboard surface was thoroughly cleaned and dry before installation.
  - Allow sufficient curing time (24 hours) for the adhesive to bond properly.
  - If the adhesive has lost its stickiness, the adhesive base may need to be replaced.
- **Mount is loose (Vent):**
  - Ensure the locking knob on the vent mount is fully tightened.
  - Verify that the metal hook is properly engaged with a vent blade.
  - Confirm your car's air vents are compatible (not round).
