1. INTRODUCTION

This manual provides essential instructions for the safe and efficient use of your Claiks Mobile Standing Desk. Please read this manual thoroughly before assembly and operation, and retain it for future reference. The Claiks Mobile Standing Desk is designed to offer a versatile and ergonomic workspace. Featuring pneumatic height adjustment, a tiltable desktop, and mobile wheels, it adapts to various working styles and environments.

2. IMPORTANT SAFETY INFORMATION

Failure to follow these safety instructions may result in injury or damage to the product.

- **Weight Limit:** This product has a maximum weight recommendation of **22 pounds (10 kg)**. Do not exceed this limit. Exceeding the weight limit could cause instability, damage to the desk, or personal injury.
- **Desktop Material:** The desktop is made of engineered wood. Handle with care to prevent damage.
- **Pneumatic Adjustment:** The desk features pneumatic height adjustment. Operate the adjustment mechanism carefully, ensuring hands and other objects are clear of moving parts to prevent pinching or injury.
- **Stability:** Ensure all locking mechanisms (e.g., wheel locks) are engaged when the desk is stationary to prevent unintended movement.
- **Children and Pets:** Keep children and pets away from the desk during adjustment or movement to prevent accidents.
- **Assembly:** Assemble the desk according to the instructions provided. Ensure all components are securely fastened before use.

- **Placement:** Place the desk on a level surface. Avoid placing it near heat sources, direct sunlight, or in damp environments.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support.

- Desktop with integrated tilt mechanism and anti-fall bracket
- Main support column with pneumatic cylinder
- Base with hidden sliding wheels and crescent-shaped feet
- Desk hook (optional attachment)
- Assembly hardware (screws, wrench, etc.)
- Instruction Manual (this document)

4. SETUP AND ASSEMBLY

The Claiks Mobile Standing Desk is designed for straightforward assembly. It is recommended that one person performs the assembly.

4.1 Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Attach Base to Column:** Secure the main support column to the base using the provided hardware. Ensure all screws are tightened firmly.
3. **Attach Desktop:** Connect the desktop to the top of the main support column. Follow the specific instructions in the included assembly guide for proper alignment and secure fastening.
4. **Install Desk Hook (Optional):** If desired, attach the robust desk hook to the designated slot on the side of the desktop.
5. **Check Stability:** Once assembled, gently shake the desk to ensure all connections are secure and the desk is stable.

5. OPERATING INSTRUCTIONS

5.1 Adjusting Height

The desk features a pneumatic height adjustment system, allowing for smooth transitions between sitting and standing positions.

1. **To Raise:** Locate the height adjustment handle (typically on the side or underside of the desktop). Press the handle and gently lift the desktop. The pneumatic mechanism will assist in raising the desk. Release the handle at the desired height.
2. **To Lower:** Press the height adjustment handle and apply gentle downward pressure on the desktop. The desk will smoothly lower. Release the handle at the desired height.

The adjustable height range is approximately 29.9 inches (76 cm) to 44.9 inches (114 cm).

Figure 3: Height adjustment and desktop tilt capabilities.

Figure 4: Components of the powerful gas spring lifting system.

5.2 Adjusting Desktop Tilt

The desktop can be tilted from 0° to 90° to accommodate various activities like reading, writing, or drawing.

1. **To Tilt:** Locate the tilt adjustment knob or lever (refer to your specific model's assembly guide for exact location). Loosen the knob/lever, adjust the desktop to the desired angle, and then tighten the knob/lever to secure it.
2. **Anti-Fall Bracket:** The desktop includes an anti-fall bracket to prevent items from sliding off when tilted. Ensure items are placed securely against this bracket.

Figure 5: Anti-Fall Bracket for tilted use.

Figure 6: Examples of desktop tilt angles for different activities.

5.3 Moving the Desk

The desk is equipped with hidden sliding wheels for easy mobility.

1. **To Move:** Ensure the desktop is in a stable, horizontal position and any items are secured. Unlock the wheel locks if engaged. Gently push or pull the desk to its new location.

2. **To Secure:** Once in position, engage the wheel locks to prevent unintended movement.

Figure 7: Hidden sliding wheels and crescent-shaped base for mobility and stability.

5.4 Folding for Storage

The desk can be folded for compact storage, making it suitable for small spaces.

1. **Step 1: Lower the Desk:** Adjust the desk to its lowest height.
2. **Step 2: Flip Desktop:** Adjust the desktop to a 90° vertical position.
3. **Step 3: Loosen Knob:** Locate the folding knob at the base of the main column and loosen it.
4. **Step 4: Fold Base:** Fold the base inwards until the desk is in its compact, folded state. Tighten the knob to secure.

Simple And Easy To Fold

Fold it by yourself

Foldable Board & Base

Easy to move, easy to store

Figure 9: Horizontal and vertical storage options for the folded desk.

5.5 Using the Desk Hook

A robust hook is provided for hanging items such as headphones, bags, or cables, helping to keep your workspace organized.

Robust Desk Hook

Feel free to hook it on

Figure 10: Robust desk hook in use.

6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your Claiks Mobile Standing Desk.

- **Cleaning:** Wipe the desk surfaces with a damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspections:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Pneumatic System:** The pneumatic cylinder is maintenance-free. Do not attempt to lubricate or disassemble it.
- **Wheels:** Keep the wheels free of debris to ensure smooth movement.

7. TROUBLESHOOTING

If you encounter issues with your Claiks Mobile Standing Desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk is unstable or wobbly.	Loose connections; uneven floor; damaged base/feet.	Ensure all assembly screws are tightened. Move the desk to a level surface. Inspect the base for damage.

Problem	Possible Cause	Solution
Difficulty adjusting height.	Mechanism obstruction; excessive weight on desktop; pneumatic cylinder issue.	Check for obstructions around the column. Reduce weight on the desktop (ensure it's below 22 lbs). If the issue persists, contact customer support.
Desktop does not tilt or secure properly.	Tilt knob/lever not tightened; mechanism obstruction.	Ensure the tilt adjustment knob/lever is fully tightened after adjusting the angle. Check for any foreign objects obstructing the tilt mechanism.
Wheels do not roll smoothly or are stuck.	Wheel locks engaged; debris in wheels; damaged wheels.	Disengage wheel locks. Clean any hair or debris from the wheels. If wheels are damaged, contact customer support for replacements.
Missing or damaged parts upon delivery.	Shipping damage; packaging error.	Do not proceed with assembly. Contact Claiks customer support immediately with your purchase details.

If you experience a problem not listed here or if the suggested solutions do not resolve the issue, please contact Claiks customer support for further assistance.

8. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Claiks
Model Number	CLAIKS-S-86f974f8ea
Product Dimensions (D x W x H)	19.6"D x 28.7"W x 45"H (49.8 cm D x 72.9 cm W x 114.3 cm H)
Color	White
Style	Modern
Base Material	Metal (Alloy Steel)
Top Material Type	Engineered Wood
Finish Type	Polished, Rust-resistant coating
Special Feature	Adjustable Height, Tilttable Desktop, Foldable, Mobile Wheels
Minimum Height	29.9 Inches (75.9 cm)
Maximum Height	44.9 Inches (114 cm)
Maximum Tilt Angle	90 Degrees
