## OPERATING INSTRUCTIONS

Once assembled, your Mazda RX7-FD model features several interactive elements:

- **Rotatable Wheels:** The wheels are designed to rotate freely, allowing for smooth movement across surfaces.
- **Openable Hood:** The front hood can be opened to reveal simulated engine details underneath.
- **Openable Trunk:** The rear trunk can be opened for additional display options.
- **Switchable Lights:** Certain light elements on the model can be adjusted or simulated.

This model is ideal for display and light play. Avoid excessive force to prevent damage to the building blocks.

To ensure the longevity and appearance of your building set, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the model with a dry, soft cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic blocks.
- **Handling:** Handle the model with care, especially when moving it, to prevent pieces from detaching.

## TROUBLESHOOTING

If you encounter any issues during assembly or use, consider the following:

- **Missing Parts:** In the rare event of missing pieces, please refer to the 'Warranty and Support' section for information on obtaining free replacements.
- **Difficult Instructions:** While the instruction manual is designed to be clear, some steps may require careful attention. Review the diagrams closely and ensure you are using the correct pieces for each step. If you find the included booklet challenging, consider searching for online assembly videos or digital instructions from the manufacturer's website for alternative perspectives.
- **Loose Connections:** Ensure all blocks are firmly pressed together. A brick separator (if included) can assist in disassembling and reassembling tight connections.
