2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use to prevent injury or damage.

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and injury.
- Ensure the area around the bed is clear of obstructions when converting it between bed and cabinet modes.
- Do not allow children to play near or on the bed when it is in the cabinet mode. The folding mechanism can pose a pinch hazard.
- Regularly inspect all fasteners and connections to ensure they remain tight. Retighten as necessary.
