

FDPBY Modern Crystal Bathroom Vanity Light 4-Light

FDPBY Modern Crystal Bathroom Vanity Light (Gold Crooked, 4-Light) Instruction Manual

Model: Modern Crystal Bathroom Vanity Light 4-Light

1. INTRODUCTION

Thank you for choosing the FDPBY Modern Crystal Bathroom Vanity Light. This manual provides essential information for the safe installation, operation, and maintenance of your new lighting fixture. Please read these instructions thoroughly before beginning installation and retain them for future reference.

2. SAFETY INFORMATION

WARNING: RISK OF ELECTRIC SHOCK. Disconnect power at the fuse box or circuit breaker before installation or servicing.

- All electrical connections must be in accordance with local codes, ordinances, or the National Electric Code (NEC).
- Consult a qualified electrician if you are unfamiliar with electrical wiring.
- Use only UL-listed wire connectors for connections.
- Do not exceed the maximum wattage specified for the bulbs.
- Handle crystal components with care to prevent breakage.
- Ensure the fixture is securely mounted to a structurally sound surface.

3. PACKAGE CONTENTS

Verify that all components are present before beginning installation. If any parts are missing or damaged, please contact customer support.

- FDPBY Modern Crystal Bathroom Vanity Light fixture
- Mounting hardware (screws, wire connectors, etc.)
- Additional replacement crystal strips
- Instruction Manual

Note: E26 standard bulbs are NOT included and must be purchased separately.

Projection from Wall	7 inches
Fixture Height	7.48 inches

5. SETUP & INSTALLATION

IMPORTANT: For your safety, it is strongly recommended to install this vanity light under the

guidance of a qualified electrician.

This fixture is designed for US standard junction boxes. No complicated installation procedures are required beyond standard electrical wiring practices.

1. **Prepare for Installation:** Turn off power at the circuit breaker or fuse box. Ensure the power is completely off before proceeding.
2. **Mount the Mounting Plate:** Attach the fixture's mounting plate to the junction box using the provided screws. Ensure it is securely fastened.
3. **Make Electrical Connections:** Connect the fixture's wires to the corresponding household wires (usually black to black, white to white, and ground to ground) using the provided wire connectors. Ensure all connections are tight and secure.
4. **Attach the Fixture:** Carefully align the fixture with the mounting plate and secure it with the provided screws or nuts.
5. **Install Bulbs:** Screw in E26 standard bulbs (not included) into each socket. Do not exceed 60W per bulb.
6. **Restore Power:** Turn the power back on at the circuit breaker or fuse box.

6. OPERATING INSTRUCTIONS

Once installed, operate the FDPBY Modern Crystal Bathroom Vanity Light using a standard wall switch connected to the fixture.

- **Bulb Compatibility:** This fixture uses E26 US standard sockets. It is compatible with various E26 base bulbs, including LED, halogen, incandescent, and energy-saving types.
- **Dimmable Functionality:** For dimming capabilities, ensure you use dimmable E26 bulbs and a compatible dimmer switch (both sold separately).
- **Light Appearance:** The type of bulb installed will determine the light's color temperature (e.g., warm light, white light).

Figure 5: This image illustrates the difference between warm light and white light when different bulb types are used in the fixture.

7. MAINTENANCE

Regular cleaning will help maintain the appearance and performance of your vanity light.

- **Cleaning the Crystal Shades:** To clean the clear K9 crystal shades, gently wipe them with a soft, dry cloth or a dust brush. For more thorough cleaning, a slightly damp cloth with mild glass cleaner can be used, ensuring no liquid enters the electrical components.
- **Cleaning the Metal Finish:** Wipe the brushed gold finish with a soft, dry cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Bulb Replacement:** Always turn off power at the circuit breaker before replacing bulbs. Allow bulbs to cool completely before handling.

8. TROUBLESHOOTING

If you encounter issues with your FDPBY Modern Crystal Bathroom Vanity Light, refer to the following common troubleshooting steps:

- **Light does not turn on:**
 - a. Check the circuit breaker or fuse box to ensure power is on.
 - b. Verify that bulbs are securely screwed into their sockets.
 - c. Ensure bulbs are not burnt out and are compatible with the fixture.
 - d. Confirm all electrical connections are properly made and secure.

- **Lights flicker:**
 - a. Ensure bulbs are fully tightened.
 - b. If using a dimmer, ensure both the bulbs and the dimmer switch are compatible with each other and rated for dimming.

- **Fixture appears loose:**
 - a. Turn off power at the circuit breaker.
 - b. Carefully re-tighten mounting screws.

If these steps do not resolve the issue, please contact FDPBY customer support.
