

Merax HA-267

Merax Modern Wood Buffet Sideboard Table

MODEL: HA-267

Instruction Manual

1. Introduction

Thank you for purchasing the Merax Modern Wood Buffet Sideboard Table, Model HA-267. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Information:

- Keep all small parts and packaging materials away from children.
- Assemble on a soft, clean surface to prevent scratches.
- Ensure all connections are tight before use. Periodically check and re-tighten hardware.
- Do not exceed the stated weight capacities.

2. Package Contents

Verify that all components are present before assembly. If any parts are missing or damaged, please contact customer support.

- Sideboard components (MDF and Particle Board panels)
- Gold metal legs
- Hardware kit (screws, connectors, etc.)
- Assembly tools (included)
- Instruction manual

This image displays the Merax Modern Wood Buffet Sideboard Table in black with gold metal legs and handles, featuring four doors with vertical stripe decorative panels.

3. Setup and Assembly Instructions

Partial assembly is required for this product. All necessary tools are included. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent damage.
2. **Identify Parts:** Refer to the included parts list and diagrams to identify each component.
3. **Attach Legs:** Securely attach the gold metal legs to the base of the sideboard using the provided hardware. Ensure all screws are tightened evenly.
4. **Install Bottom Shelf:** Position and secure the bottom shelf within the sideboard structure according to the diagrams.
5. **Final Check:** Once assembled, ensure all connections are firm and the sideboard is stable.

High-quality Material

The high-quality particle board and MDF

The load-bearing capacity of the top panel is **70lbs.**

This image emphasizes the high-quality particle board and MDF construction of the Merax Buffet Sideboard, noting the top panel's load-bearing capacity of 70 lbs.

4. Operating Instructions

The Merax Buffet Sideboard is designed for versatile storage in various rooms. It features four doors, four pull-out drawers, and adjustable shelves to accommodate different items.

- **Storage:** Utilize the four doors and four pull-out drawers for organized storage of dishes, cutlery, utensils, dry goods, or other daily accessories.
- **Adjustable Shelves:** The interior shelves can be adjusted to three different height positions. To adjust, carefully remove the shelf, reposition the shelf pins to the desired height, and reinsert the shelf. This allows for customization of storage space to fit taller or shorter items.

Modern Luxury Sideboard

The design of this cabinet combines the features of modern simplicity and light luxury.

Straight line, neat and smooth shape

Gold metal legs reflect the texture

This image shows the interior compartments of the Merax Buffet Sideboard with its doors open, highlighting the adjustable shelves that can be set at three different height positions for flexible storage.

5. Maintenance

Proper care and maintenance will ensure the longevity and appearance of your sideboard.

- **Cleaning:** Wipe the surface with a soft, dry cloth. For more stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals, abrasive cleaners, or household cleaners as they may damage the finish.
- **Hardware Check:** Hardware may loosen over time. Periodically check that all connections are tight and re-tighten as necessary to maintain stability.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the finish.

Excellent Workmanship

This image highlights the quality details of the Merax Buffet Sideboard, including the gold handles and the marble sticker tabletop finish.

6. Troubleshooting

If you encounter any issues with your Merax Buffet Sideboard, consider the following common solutions:

- **Wobbling/Instability:** Check all screws and bolts to ensure they are fully tightened. Ensure the sideboard is placed on a level surface.
- **Doors Not Aligning:** Verify that the hinges are correctly installed and adjusted. Slight adjustments to hinge screws can often correct door alignment.
- **Drawers Sticking:** Ensure drawer slides are properly aligned and free of obstructions. Check that all assembly hardware for the drawers is securely fastened.
- **Missing Parts:** If parts were missing upon delivery, contact customer support with your purchase details.
