IKEA IK.904.781.20

IKEA PILSKOTT LED Floor Lamp User Manual

Model: IK.904.781.20

INTRODUCTION

Thank you for choosing the IKEA PILSKOTT LED Floor Lamp. This manual provides essential information for the safe and efficient use of your new lamp. Please read it thoroughly before installation and operation, and retain it for future reference.

The PILSKOTT floor lamp features a modern graphic design with a bended LED strip, offering dynamic light effects. It can be wirelessly dimmed using the IKEA Home smart app and the included TRÅDFRI remote control.

SAFETY INFORMATION

- Ensure the lamp is placed on a stable, level surface to prevent tipping.
- Do not expose the lamp to water or excessive moisture.
- Only use the lamp indoors.
- Do not attempt to modify or repair the lamp yourself. Refer to qualified service personnel.
- Keep the power cord away from heat sources and sharp edges.
- Unplug the lamp from the power outlet before cleaning or moving it.

PACKAGE CONTENTS

Before proceeding with assembly, please verify that all components are present:

- PILSKOTT LED Floor Lamp unit
- TRÅDFRI Remote Control
- Power Adapter/Cord
- User Manual (this document)

SETUP

1. **Unpacking:** Carefully remove all components from the packaging. Retain packaging for future transport or storage if needed.
2. **Placement:** Choose a suitable indoor location for the lamp. Ensure it is on a stable, flat surface and away from direct heat or moisture.
3. **Assembly (if required):** The PILSKOTT lamp typically comes pre-assembled. If any minor assembly is needed, follow the visual instructions provided in the separate assembly guide (if applicable). Ensure all connections are secure.
4. **Power Connection:** Insert the power cord into the lamp's power input port, then plug the power adapter into a standard wall outlet.
5. **Remote Control Setup:** The TRÅDFRI remote control should be pre-paired with the lamp. If not, or if you wish to pair it with the IKEA Home smart app, refer to the IKEA Home smart system instructions.

OPERATING INSTRUCTIONS

Using the TRÅDFRI Remote Control

The included TRÅDFRI remote control allows for basic operation of your PILSKOTT lamp.

- **Power On/Off:** Press the power button on the remote to turn the lamp on or off.
- **Dimming:** Use the dimming buttons (usually '+' and '-') to adjust the brightness of the light.
- **Color Temperature (if applicable):** Some TRÅDFRI remotes may have buttons to adjust color temperature. Refer to your remote's specific guide.

Using the IKEA Home smart App

For advanced control and smart home integration, use the IKEA Home smart app (requires a TRÅDFRI gateway, sold separately).

1. **Download App:** Download the IKEA Home smart app from your device's app store.
2. **Connect Gateway:** Follow the app instructions to set up your TRÅDFRI gateway and connect it to your home Wi-Fi network.
3. **Add Device:** In the app, add your PILSKOTT lamp as a new device. The app will guide you through the pairing process.
4. **Control:** Once paired, you can control the lamp's power, dimming, and potentially set schedules or integrate with other smart devices through the app.

MAINTENANCE

- **Cleaning:** Disconnect the lamp from the power supply before cleaning. Wipe the lamp with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **LED Lifespan:** The integrated LED light source is designed for a long lifespan and is not replaceable.
- **Storage:** If storing the lamp for an extended period, unplug it and store it in a dry, cool place, preferably in its original packaging.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Lamp does not turn on.	<p>Not plugged in.</p> <p>Power outlet not working.</p> <p>Remote control battery low.</p> <p>Lamp not paired with remote/app.</p>	<p>Ensure power cord is securely plugged into lamp and wall outlet.</p> <p>Test the outlet with another device.</p> <p>Replace remote control battery.</p> <p>Re-pair the lamp with the remote or IKEA Home smart app.</p>
