MAINTENANCE AND CARE

To ensure the longevity and appearance of your SMILOVII clothing rack, follow these simple maintenance guidelines:

- **Cleaning:** When the rack becomes dirty, simply wipe it down with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the satin black powder-coated surface.

- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain the rack's stability.
