## INTEMPO EE7041SPGRYSTKEU7

# Intempo EE7041SPGRYSTKEU7 Metallic Bluetooth Headphones User Manual

Model: EE7041SPGRYSTKEU7 | Brand: INTEMPO

## 1. INTRODUCTION

---

Thank you for choosing the Intempo EE7041SPGRYSTKEU7 Metallic Bluetooth Headphones. These headphones are designed to provide a comfortable and high-quality audio experience with wireless connectivity. This manual will guide you through the setup, operation, and maintenance of your new headphones.

## 2. PACKAGE CONTENTS

---

Please ensure all items are present in the package:

- Intempo EE7041SPGRYSTKEU7 Metallic Bluetooth Headphones
- USB Charging Cable
- User Manual

## 3. PRODUCT FEATURES

---

- Sleek metallic finish and wireless audio design.
- Up to 25 meters (82 feet) wireless range.
- Up to 12 hours of playback time on a single charge.
- Integrated controls on the earcup for volume and call management.

- Adjustable headband for a comfortable fit.
- Padded ear cushions for enhanced comfort and sound isolation.
- Hands-free calling functionality.

## 4. SETUP

---

### 4.1 Charging the Headphones

Before first use, fully charge your headphones. Connect the provided USB charging cable to the charging port on the headphones and the other end to a USB power source (e.g., computer USB port, wall adapter). The LED indicator will typically show red during charging and turn off or blue when fully charged.

*Note: The product specifications indicate a 12-hour average battery life (playback time). Actual charging time is typically 2-3 hours.*

Image: Side view of the headphones showing the control panel and charging port location.

## 4.2 Bluetooth Pairing

1. **Power On:** Press and hold the Power button (often combined with Play/Pause) on the headphones until the LED indicator flashes blue and red, indicating pairing mode.
2. **Activate Bluetooth:** On your device (smartphone, tablet, computer), go to the Bluetooth settings and ensure Bluetooth is enabled.
3. **Select Device:** Look for "Intempo EE7041SPGRYSTKEU7" or a similar name in the list of available devices and select it to connect.
4. **Confirmation:** Once successfully paired, the LED indicator on the headphones will usually flash blue slowly or turn solid blue, and you may hear an audible confirmation.

If pairing fails, turn off the headphones and your device's Bluetooth, then repeat the steps.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Controls Overview

The headphones feature intuitive controls located on one of the earcups. Refer to the image below for button identification.

Image: Detailed view of the control buttons on the right earcup.

Button/Action	Function
---------------	----------

Button/Action	Function
<b>Power / Play/Pause Button</b>	Press and hold: Power On/Off Short press: Play/Pause music Short press: Answer/End call Press and hold (during incoming call): Reject call
<b>Volume Up (+) / Next Track</b>	Short press: Increase volume Long press: Skip to next track
<b>Volume Down (-) / Previous Track</b>	Short press: Decrease volume Long press: Go to previous track

## 5.2 Adjusting the Headband

The headband is adjustable to ensure a comfortable and secure fit. Gently slide the earcups up or down along the headband until they rest comfortably over your ears.

Image: Side view of the headphones showing the adjustable headband mechanism.

## 6. MAINTENANCE

---

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphones in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Avoid Water:** These headphones are not waterproof. Avoid exposure to water or excessive moisture.
- **Cable Care:** Handle the charging cable gently to prevent damage.

## 7. TROUBLESHOOTING

---

Problem	Solution
Headphones do not power on.	Ensure the headphones are fully charged. Connect them to a power source and try again after a few minutes.

Problem	Solution
<b>Cannot pair with device.</b>	<p>Ensure headphones are in pairing mode (flashing blue/red LED).</p> <p>Make sure Bluetooth is enabled on your device.</p> <p>Move headphones closer to your device.</p> <p>Forget the device from your Bluetooth list and try pairing again.</p> <p>Restart both the headphones and your device.</p>
<b>No sound or low volume.</b>	<p>Check volume levels on both the headphones and your connected device.</p> <p>Ensure headphones are properly paired and connected.</p> <p>Try playing different audio sources.</p>
<b>Poor audio quality or disconnections.</b>	<p>Ensure you are within the 25-meter wireless range.</p> <p>Minimize obstacles between the headphones and your device.</p> <p>Avoid interference from other wireless devices.</p>
