

BAÏTA INES06

BAITA INES Buffet 90 cm Assembly and User Manual

Model: INES06 | Brand: BAÏTA

1. INTRODUCTION

Thank you for choosing the BAITA INES 90 cm Buffet. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. SAFETY INFORMATION

To prevent injury or damage to the product, please observe the following safety guidelines:

- Always assemble the product on a soft, clean surface to avoid scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the shelves or top surface. Refer to the specifications for weight limits.
- For stability, place the buffet on a level surface.
- If applicable, use the provided anti-tip hardware to secure the buffet to a wall, especially in households with children.
- Keep small parts and packaging materials away from children.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

- All necessary engineered wood panels for the buffet structure.
- 2 doors with cane detailing.
- 2 adjustable shelves.
- 4 legs.

- Hardware kit (screws, dowels, hinges, handles, etc.).
- Assembly instructions manual.

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the detailed step-by-step instructions provided in the separate assembly manual included in the package. A screwdriver is the recommended tool for assembly.

4.1. Preparation

- Clear a spacious area for assembly.
- Lay out all components and hardware, organizing them according to the assembly manual.
- Ensure you have a Phillips head screwdriver readily available.

4.2. Assembly Steps

Refer to the included graphical assembly instructions for precise steps. General sequence includes:

1. Attach the legs to the base panel.
2. Assemble the side panels and back panel to the base.
3. Install the fixed and adjustable shelves.
4. Attach the top panel.
5. Mount the hinges to the doors and then attach the doors to the main frame.
6. Install the door handles.
7. Adjust door alignment if necessary.

5. OPERATING (USAGE)

The BAITA INES Buffet is designed for indoor use as a storage and display unit in living rooms or dining areas. Its two doors and two shelves provide ample space for organizing various items.

- **Storage:** Utilize the internal shelves for storing dinnerware, books, decorative items, or other household essentials.
- **Display:** The top surface can be used to display lamps, plants, photo frames, or other decorative accents.
- **Placement:** Position the buffet against a wall in your living room or dining area. Ensure it is not placed in direct sunlight or near heat sources to prevent material degradation.

6. MAINTENANCE

Proper care will extend the life and appearance of your BAITA INES Buffet.

- **Cleaning:** Clean the surface with a dry, soft cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture, which can damage the finish.
- **Spills:** Wipe up spills immediately with a dry cloth to prevent staining or water damage.
- **Protection:** Use coasters or placemats under hot or wet items placed on the top surface.
- **Inspection:** Periodically check all hardware connections and tighten if loose.

7. TROUBLESHOOTING

If you encounter any issues with your buffet, refer to the following common solutions:

- **Wobbly Buffet:** Ensure the buffet is placed on a level surface. Check that all leg attachments and frame screws are securely tightened. Adjust leg levelers if present.
- **Doors Not Aligning:** Adjust the hinges on the inside of the doors. Most hinges allow for minor adjustments (up/down, left/right, in/out) using a screwdriver. Refer to the hinge manufacturer's instructions if available.
- **Difficulty Opening/Closing Doors:** Check for any obstructions inside the cabinet. Ensure hinges are properly installed and lubricated if necessary.
- **Scratches/Minor Damage:** For minor scratches, touch-up pens or furniture repair kits matching the oak finish may be used.
