### Skullcandy S2TAW-R740

# Skullcandy Smokin' Buds Wireless Earbuds User Manual

MODEL: S2TAW-R740

## Introduction

Welcome to the user manual for your Skullcandy Smokin' Buds Wireless Earbuds. These earbuds are designed to deliver full, clear sound with convenient features for your daily listening needs. They offer a noise-isolating fit, up to 20 hours of battery life, and are IPX4 sweat and water resistant, making them suitable for various activities. This manual will guide you through the setup, operation, maintenance, and troubleshooting of your new earbuds.

## Setup

## 1. Initial Charging

Before first use, ensure your Smokin' Buds are fully charged. Place both earbuds into the charging case and connect the case to a power source using the provided USB-C cable. The LED indicator on the case will show charging status. A full charge provides up to 20 hours of total battery life (8 hours in earbuds, 12 hours in case).

## 2. Bluetooth Pairing

1. Ensure the earbuds are in the charging case and the lid is open.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings and turn Bluetooth on.
3. Select "Smokin' Buds" from the list of available devices.
4. Once connected, you will hear an audio prompt confirming successful pairing.

### **3. Fitting the Earbuds**

For optimal sound quality and comfort, choose the ear gel tips that best fit your ears. The Smokin' Buds come with three different sizes. Gently insert each earbud into your ear canal and twist slightly to secure a snug, noise-isolating fit.

## Operating Instructions

### Touch Controls

The Smokin' Buds feature intuitive touch controls on each earbud for easy management of your audio and calls. Refer to the table below for common functions:

| Action                             | Function                               |
|------------------------------------|--|
| Single Tap (Left/Right Earbud)     | Play/Pause Music, Answer/End Call      |
| Double Tap (Left Earbud)           | Volume Down                            |
| Double Tap (Right Earbud)          | Volume Up                              |
| Triple Tap (Left/Right Earbud)     | Activate Voice Assistant               |
| Press and Hold (Left/Right Earbud) | Cycle EQ Modes (Music, Movie, Podcast) |

Each earbud contains a microphone, allowing for single-bud use for calls or listening while keeping one ear

free.

## Maintenance

### Cleaning

Regular cleaning helps maintain optimal performance and hygiene. Use a soft, dry, lint-free cloth to wipe down the earbuds and charging case. For the ear gel tips, you can remove them and gently clean with a damp cloth, ensuring they are completely dry before reattaching.

### Storage

When not in use, always store your Smokin' Buds in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from extreme temperatures.

### Water Resistance (IPX4)

The earbuds are IPX4 sweat and water resistant, meaning they can withstand splashing water from any

direction. They are suitable for workouts and light rain. **Do not submerge the earbuds in water**, and ensure they are dry before placing them back in the charging case to prevent damage.

## Troubleshooting

- **Earbuds not pairing/connecting:** Ensure Bluetooth is enabled on your device and the earbuds are in pairing mode (usually by opening the case). Try turning Bluetooth off and on again on your device, or forgetting "Smokin' Buds" in your device's Bluetooth settings and re-pairing.
- **One earbud not working/charging:** Ensure both earbuds are properly seated in the charging case and the charging contacts are clean. Sometimes, a factory reset can resolve this. Refer to Skullcandy's official support for specific reset instructions if needed.
- **Low volume or poor sound quality:** Check the ear gel tips for a proper seal. Try different sized tips to ensure the best fit. Clean any debris from the earbud nozzles.
- **Battery draining quickly:** Ensure the earbuds are fully charged before use. If rapid drainage persists, contact Skullcandy support.

For more detailed troubleshooting or specific issues, please visit the official Skullcandy support website.

## Specifications

| Feature                 | Detail   |
|-------------------------|--|
| Model Name              | Smokin' Buds                                     |
| Model Number            | S2TAW-R740                                       |
