3. SAFETY INFORMATION

Please read all safety instructions before using your WE-VIBE Sync Lite. Keep this manual for future reference.

- **Material Safety:** The Sync Lite is made from body-safe silicone. If you experience any irritation, discontinue use immediately.
- **Cleaning:** Always clean the device before and after each use as described in the Maintenance section.
- **Lubrication:** Use only water-based lubricants with your Sync Lite. Oil-based lubricants can damage the silicone material.
- **Charging:** Use only the provided USB charging cable. Do not use the device while it is charging.
- **Storage:** Store the device in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Medical Conditions:** Consult a healthcare professional if you have any medical conditions or concerns before using this product.

4. SETUP

4.1 Initial Charge

Before first use, fully charge your Sync Lite. Connect the USB charging cable to the device's charging port and plug the other end into a USB power source (e.g., computer, wall adapter). The indicator light will show charging status and turn solid when fully charged.

4.2 App Download and Connection

The WE-VIBE Sync Lite can be controlled via the We-Vibe app, available for free on iOS and Android devices.

1. Download the 'We-Vibe' app from your device's app store.
2. Ensure your Sync Lite is charged and turned on (press and hold the power button).
3. Open the We-Vibe app and follow the on-screen instructions to pair your device via Bluetooth.
