Tatub Full Montessori Floor Bed with High Rails Instruction Manual

Model: bed-frames

INTRODUCTION

This instruction manual provides detailed guidance for the assembly, safe use, and maintenance of your Tatub Full Montessori Floor Bed with High Rails. Please read all instructions carefully before assembly and use to ensure the safety and proper function of the product.

SAFETY INFORMATION

WARNING: Failure to follow these safety guidelines can result in serious injury or death.

- Do not exceed the maximum weight capacity of the bed.
- Ensure all components are properly assembled and securely fastened to prevent instability or collapse.
- Regularly check all screws and connections to ensure they remain tight.
- The bed is designed to be close to the floor, minimizing fall risks. However, always supervise children, especially during initial use.
- The guardrails are intended to provide a safe sleeping space. Ensure they are securely attached.
- Keep small parts away from children during assembly to prevent choking hazards.

PRODUCT FEATURES

- **Enhanced Safety:** Designed close to the floor with surrounding railings to minimize the risk of falls and bumps, creating a secure space for children.
- **Bidirectional Door Design:** The bed's door can be installed on either the left or right side, offering flexibility to suit various room layouts.
- **Independent Sleep Promotion:** Facilitates the transition from co-sleeping or bed-sharing to an independent sleep environment, encouraging self-reliance.

- **Durable Construction:** Made from solid Pine Wood with a thickening structure and heightened frame for increased sturdiness and longevity.
- **Easy Assembly:** Designed for straightforward assembly.

SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the included hardware and instructions carefully. A power drill may be helpful for pre-drilling holes if not already present, as noted by some users for hinge installation.

MAINTENANCE

To maintain the quality and appearance of your Tatub Montessori Floor Bed, wipe it with a damp cloth as needed. Avoid using harsh chemicals or abrasive cleaners that could damage the wood finish.

TROUBLESHOOTING AND IMPORTANT CONSIDERATIONS

- **Loose Connections:** If the bed feels wobbly, check all screws and bolts and tighten them as necessary.
- **Door Functionality:** If the door does not open or close smoothly, inspect the hinges and latch for any obstructions or misalignment.
- **Mattress Fit:** Ensure you are using a full-size mattress (recommended 75 x 54 inches) that fits snugly within the frame to prevent gaps.
