# VINGLI Flower-Shaped Wooden Barrel Planter Set

Model: planter-G54000035

## INTRODUCTION

---

Thank you for choosing the VINGLI Flower-Shaped Wooden Barrel Planter Set. This manual provides essential information for the proper setup, use, and maintenance of your new planters. Please read these instructions carefully before use to ensure optimal performance and longevity of the product.

This set includes three flower-shaped wooden barrel planters, designed for both indoor and outdoor use. They are crafted from natural fir wood, featuring a rustic aesthetic with metal bands and handles for ease of movement.

## SAFETY INFORMATION

---

- Ensure planters are placed on a stable, level surface to prevent tipping.
- When moving planters filled with soil or plants, use the provided metal handles and lift with care to avoid injury.
- Keep out of reach of small children and pets if filled with heavy or potentially harmful materials.
- Do not overload planters beyond their capacity to prevent structural damage.

## PACKAGE CONTENTS

---

Your VINGLI Flower-Shaped Wooden Barrel Planter Set includes:

- 3 x Flower-Shaped Wooden Barrel Planters (of the same size)

*Note: The set contains three planters of identical dimensions. Please verify the size upon receipt.*

*This image displays the three VINGLI flower-shaped wooden barrel planters, showcasing their rustic design and varying dimensions. Each planter features metal bands and handles.*

## SETUP

---

1. **Unpacking:** Carefully remove all planters from their packaging. Inspect each planter for any signs of damage.
2. **Placement:** Choose a suitable location for your planters. They are designed for both indoor and outdoor use. Ensure the chosen surface is stable and can support the weight of the planter once filled with soil and plants.
3. **Drainage:** Each planter is equipped with a pre-drilled drainage hole at the bottom. This is crucial for preventing overwatering and promoting healthy plant growth. Ensure this hole is not obstructed. For indoor use, place a saucer or tray underneath the planter to catch excess water.
4. **Filling:** Fill the planter with appropriate potting soil for your chosen plants. Leave adequate space from the rim for watering.

*A detailed view of the VINGLI wooden planter, highlighting the sturdy metal handle for easy transport and the essential pre-drilled drainage hole at the bottom to prevent overwatering.*

## OPERATING / USAGE

---

1. **Planting:** Once filled with soil, carefully plant your desired flowers, herbs, vegetables, or small trees. Gently firm the soil around the plant roots.
2. **Watering:** Water your plants according to their specific needs. The drainage hole will allow excess water to escape, preventing root rot. Monitor soil moisture regularly.
3. **Relocation:** The planters feature two metal handles on each side, allowing for easy movement. When relocating a filled planter, grasp both handles firmly and lift carefully.
4. **Environmental Placement:** These planters are suitable for balconies, porches, patios, gardens, or indoor spaces. Consider the light and temperature requirements of your plants when choosing a location.

*The VINGLI wooden planters are shown in a vibrant outdoor setting, filled with various flowering plants, demonstrating their aesthetic appeal and practical use on a patio or balcony.*

## MAINTENANCE

---

- **Cleaning:** Wipe the exterior of the planters with a damp cloth to remove dirt or dust. Avoid harsh chemicals that may damage the wood finish.
- **Wood Care:** As the planters are made of natural fir wood, exposure to extreme weather conditions (e.g., prolonged direct sunlight, heavy rain, snow) may affect their appearance over time. Consider applying a wood sealant annually to prolong their lifespan and maintain their rustic finish, especially for outdoor use.
- **Drainage Hole Check:** Periodically check the drainage hole to ensure it remains clear of debris, which could impede water flow.

## TROUBLESHOOTING

---

- **Problem:** Water is not draining from the planter.  
**Solution:** Check the drainage hole at the bottom of the planter. Clear any soil, roots, or debris that may be obstructing it. Ensure the planter is not sitting directly on a flat surface that blocks the hole.
- **Problem:** Wood appears faded or dry.  
**Solution:** This is a natural process for untreated wood exposed to elements. To restore and protect the wood, clean the surface and apply a suitable outdoor wood sealant or stain.
- **Problem:** Planter feels unstable.  
**Solution:** Ensure the planter is placed on a firm, level surface. If the ground is uneven, adjust the placement or level the surface beneath the planter.

## SPECIFICATIONS

---

Feature	Detail
Brand	VINGLI
Model Number	planter-G54000035
Material	Natural Fir Wood
Color	Brown
Style	Rustic
Shape	Round, Flower-Shaped Rim
Indoor/Outdoor Usage	Indoor, Outdoor
Product Dimensions (Small Set)	8.3"L x 6.5"W x 6.7"H (21.1cm x 16.5cm x 17cm)
Number of Pieces	3 (same size)
Special Feature	Durable, Metal Handles, Predrilled Drainage Hole

## WARRANTY AND SUPPORT

---

VINGLI is committed to providing quality products and customer satisfaction. While specific warranty details are not provided, if you encounter any questions or issues with your planter set, please do not hesitate to contact VINGLI customer service. We aim to respond to all inquiries as quickly as possible to ensure your satisfaction.

For support, please refer to the contact information provided at the point of purchase or visit the official VINGLI website.
