7. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your Marsail Standing Desk, follow these care instructions:

- **Cleaning:** Wipe the desk surface with a dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically check all screws and connections to ensure they are tight.
- **Motor Care:** Do not attempt to open or service the motor. Contact customer support for any motor-related issues.

8. TROUBLESHOOTING

If you encounter any issues with your Marsail Standing Desk, please refer to the following common troubleshooting tips:

- **Desk Not Moving:** Check if the power cable is securely plugged into both the desk and the wall outlet. Ensure no obstructions are blocking the desk's movement.
- **Uneven Movement:** Reset the desk by lowering it to its lowest position and holding the down button for 5-10 seconds until it recalibrates.
- **Error Codes:** If the control panel displays an error code, consult the detailed troubleshooting section in the included Installation Instruction Manual or contact customer support.
- **Noise:** A slight hum during operation is normal. If you hear unusual or loud noises, discontinue use and contact customer support.

For persistent issues not covered here, please contact Marsail customer support.
