Key Features

- **Durable Performance:** Tested for 50,000 lifts, supporting up to 176 lbs. Constructed with high-quality, sturdy materials for reliability.
- **Stable and Secure:** Features a stable base and durable frame to prevent wobbling or shaking, providing a secure work surface.
- **Smooth and Effortless Adjustment:** High-quality motor allows height adjustment from 27.5 inches to 46.7 inches. Quiet operation ensures minimal disruption.
- **Maximize Your Desk Space:** Includes a convenient and spacious built-in drawer for office essentials, supporting up to 11 lbs.
- **Easy Assembly:** Designed for straightforward assembly with clear instructions.

Setup and Assembly

The Marsail Standing Desk is designed for easy assembly. Please follow the included instructions carefully. A screwdriver is recommended for assembly. Ensure all components are present before beginning.

Safety Precaution:

- Ensure the desk is securely assembled and placed on a stable surface.
- Do not exceed the maximum weight recommendation of 176 lbs (80 kg).
- Proper anchoring techniques should be followed to prevent tipping or accidents.
- Always follow the assembly instructions provided and use the recommended tools.

Operating Instructions

Your Marsail Standing Desk features an intuitive control panel for height adjustment and memory presets.

Height Adjustment

Use the up (^) and down (v) arrow buttons on the control panel to manually adjust the desk height. The

digital display will show the current height in inches. The desk can be adjusted from a minimum height of 27.5 inches to a maximum height of 46.7 inches.

Memory Presets

The control panel features four numbered buttons (1, 2, 3, 4) to save and recall your preferred desk heights. To set a memory preset:

1. Adjust the desk to your desired height using the up/down arrows.
2. Press and hold one of the numbered buttons (1, 2, 3, or 4) until the display flashes or a beep is

heard, indicating the height has been saved.

3. To recall a saved height, simply press the corresponding numbered button. The desk will automatically move to the stored position.

Stable Even at Full Height

Maintenance

To maintain the appearance and functionality of your Marsail Standing Desk, follow these simple guidelines:

- **Cleaning:** Wipe the desk surface and frame with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they are tight. Retighten if

necessary.

- **Weight Limit:** Do not overload the desk or the drawer. The desk has a maximum weight capacity of 176 lbs, and the drawer can hold up to 11 lbs.

Troubleshooting

If you encounter any issues with your Marsail Standing Desk, please refer to the following common solutions:

- **Desk Not Adjusting:** Check all power connections to ensure they are secure. Ensure no objects are obstructing the desk's movement.

- **Unusual Noise:** A slight motor sound during adjustment is normal. If you hear loud or grinding noises, stop operation and inspect for obstructions or loose parts.
- **Drawer Issues:** Ensure the drawer is properly installed and not overloaded. If it falls out easily, verify the installation of the support brackets.

For persistent issues or further assistance, please contact Marsail customer support.
