# Graco 4Ever DLX 4-in-1 Car Seat Instruction Manual

Your comprehensive guide to safe and comfortable travel for your child.

## INTRODUCTION

---

The Graco 4Ever DLX 4-in-1 Car Seat is designed to provide a decade's worth of safe and secure car journeys, adapting to your child's growth from infant to toddler. This versatile car seat transitions seamlessly through four modes: rear-facing harness, forward-facing harness, high-back belt-positioning booster, and backless belt-positioning booster. It incorporates Graco ProtectPlus Engineering technology for robust protection in various crash situations, ensuring your child's absolute safety and comfort.

## KEY FEATURES

- **4-In-1 Design:** Seamlessly transforms from infant to toddler as your child grows, offering up to 10 years of use.
- **Safeguard Plus:** Engineered for optimal protection in frontal, side, rear, and rollover crashes with Graco ProtectPlus Engineering.
- **Effortless Adjustment:** Harness and headrest adjust in one smooth motion with 10 position selections, ensuring a proper fit.
- **Comfort-Oriented:** Features a 6-position recline to keep your growing child comfortable throughout their journey.
- **Easy Installation:** Equipped with InRight LATCH attachment and integrated belt lock-off for simple, secure setup.
- **User-Friendly:** Includes a machine washable RapidRemove cover that is easy to clean without uninstalling the

seat.

- **Versatile Value:** One car seat investment offers 10 years of safe, comfortable travel.

### **SETUP AND INSTALLATION**

#### **Modes of Use and Weight Limits**

Mode	Weight Range	Description
Rear-Facing Harness	4-40 pounds	For infants and small toddlers, positioned facing the rear of the vehicle.
Forward-Facing Harness	26.5-65 pounds	For toddlers and preschoolers, positioned facing the front of the vehicle.
High-Back Belt-Positioning Booster	40-100 pounds	For older children, using the vehicle's seat belt with the car seat's backrest.

Mode	Weight Range	Description
Backless Belt-Positioning Booster	40-120 pounds	For older children, using the vehicle's seat belt with only the booster base.

For detailed installation instructions specific to your vehicle and child's age/weight, always refer to the complete instruction manual provided with your car seat. The InRight LATCH attachment system simplifies installation, providing a secure connection to your vehicle's LATCH anchors.

*Image: A child comfortably seated in the Graco 4Ever DLX car seat configured as a high-back booster, utilizing the vehicle's seat belt.*

## OPERATION

---

### **Harness and Headrest Adjustment**

The Simply Safe Adjust Harness System allows you to adjust the height of both the harness and the headrest simultaneously with one hand. This ensures a proper and secure fit for your growing child without the need for rethreading the harness.

## Fuss Free harness storage

*Image: A parent assisting a child into the car seat, demonstrating the fuss-free harness storage that keeps straps out of the way for easy access.*

### Recline Positions

The car seat offers 6 recline positions to ensure optimal comfort for your child and proper installation in your vehicle. Always select the appropriate recline position based on your child's age and the car seat mode being used, as indicated in the full manual.

### CARE AND MAINTENANCE

The Graco 4Ever DLX car seat features a RapidRemove cover that is machine washable for easy cleaning. To remove the cover, follow the instructions in your manual. All plastic and metal parts can be cleaned with mild soap and cool water. Do not use bleach or harsh detergents. The buckle and harness straps should be spot cleaned only.

## Cleans up in a snap

without uninstalling the seat

*Image: A hand demonstrating the removal of the car seat cover, highlighting the ease of cleaning without needing to uninstall the seat.*

### TROUBLESHOOTING

If you encounter any issues with your Graco 4Ever DLX car seat, please refer to the troubleshooting section in your full instruction manual. Common issues and their solutions are detailed there. For example, ensuring a tight installation is crucial; the InRight LATCH system or vehicle seat belt should secure the seat firmly with minimal movement.

If you are unable to resolve an issue, contact Graco customer support for assistance.

### SPECIFICATIONS

Specification	Value
