## AXIL XCOR PRO

# AXIL XCOR PRO Wireless Earbuds User Manual

Model: XCOR PRO (XCOR-E)

Brand: AXIL

## INTRODUCTION

The AXIL XCOR PRO True Wireless Earbuds are designed to provide a comprehensive audio solution, combining hearing protection, sound enhancement, and seamless Bluetooth connectivity. These earbuds are built for durability with dust and water resistance, making them suitable for various environments. This manual provides essential information for setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your device.

## SETUP

### 1. Charging the Earbuds and Case

Before first use, fully charge your AXIL XCOR PRO earbuds and charging case. The charging case provides approximately 2 additional full re-charges for the earbuds, totaling 3 charges when fully charged.

1. Insert the earbuds into the charging case. Ensure they are properly seated.
2. Connect the USB-C charging cable to the port on the back of the charging case.
3. Connect the other end of the cable to a compatible USB power source.
4. The case and earbuds will fully charge in approximately 2 hours.

### 2. Fitting the Earbuds

Proper fit is crucial for both comfort and effective hearing protection/enhancement. Experiment with the included

foam and silicone tips to find the best seal for your ears.

1. **Select Tip Type:** Choose between foam tips for maximum noise reduction or silicone tips for comfort and mild protection.
2. **Compress Foam Tip:** If using foam tips, compress or pinch the foam into a smaller size before insertion.
3. **Insert and Twist:** Insert the earbud into your ear canal as deep as possible, then gently twist until it is positioned comfortably and creates a secure seal.

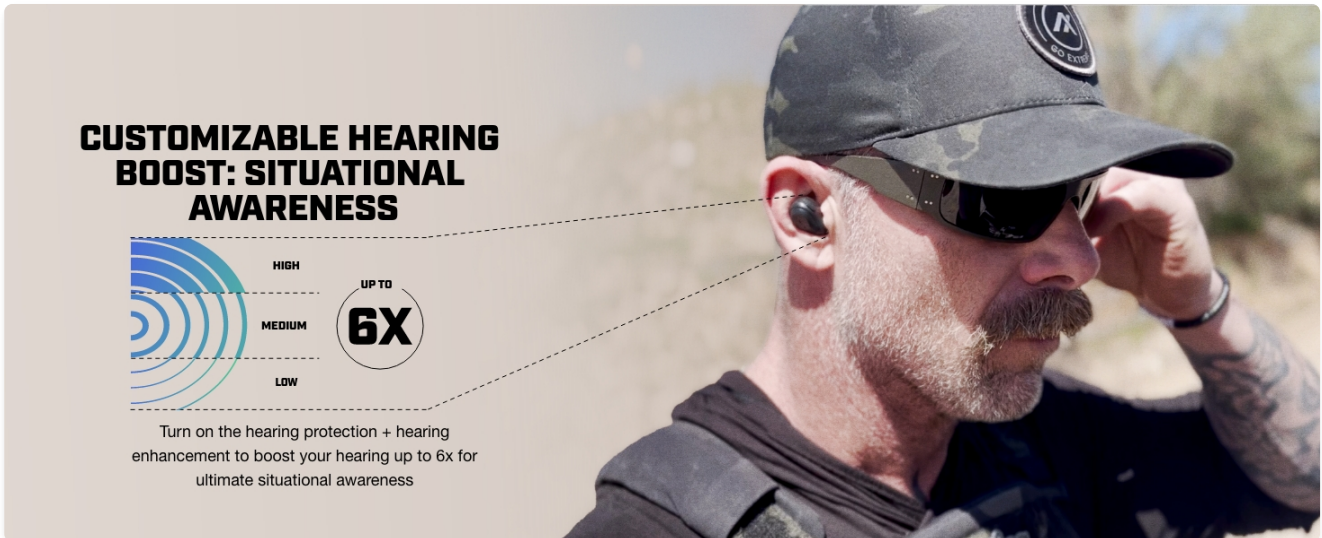

Image: Instructions for selecting and fitting ear tips for a secure and comfortable fit.

### 3. Bluetooth Pairing

The AXIL XCOR PRO earbuds utilize Bluetooth 5.2 for stable and efficient wireless connectivity.

1. Ensure the earbuds are charged and removed from the charging case. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), navigate to the Bluetooth settings.
3. Select "AXIL XCOR" from the list of available devices to pair.
4. Once paired, you will hear an audio confirmation.

## OPERATING INSTRUCTIONS

### Touch Controls

The AXIL XCOR PRO earbuds feature intuitive touch controls for easy management of functions.

- **Long Press (2 seconds):** Turn Hearing Enhancement & Protection ON/OFF.
- **Hear Control™ & Protection Mode Volume Button:** Toggle between Low (Natural Hearing), Medium (2X boost), and High (up to 6X boost) volume levels.
- **While in Music Mode:**
  - **Double Tap Either Ear:** Play/Pause music.
  - **Single Tap Right Ear:** Increase Audio Volume.
  - **Single Tap Left Ear:** Decrease Audio Volume.
  - **Triple Tap Right Ear:** Skip Forward.
  - **Triple Tap Left Ear:** Skip Backward.

Image: Detailed illustration of the touch and tap controls for the earbuds.

### Hearing Enhancement & Protection

The XCOR PRO earbuds offer advanced digital hearing protection that compresses loud noises (above 85dB) rather than shutting them off, allowing you to maintain situational awareness while protecting your ears from damaging sounds like gunfire.

# MAXIMUM HEARING PROTECTION

Advanced Technology for Superior Noise Isolation

## 1 PHYSICAL SEAL FROM FOAM PLUG

High quality foam seals off the ear canal and provides 29dB noise reduction

## 2 ELECTRONIC PROTECTION

Compresses harmful sounds above 85dB from coming through the earbuds to your ear drums

Image: Visual explanation of how the earbuds provide both physical noise reduction and electronic sound compression.

*Image: A user demonstrating the earbuds' use in a high-noise environment, emphasizing maximum hearing protection.*

### **Hands-Free Communication**

Connect your phone to your earbuds via Bluetooth to make and receive calls without interruption. These earbuds can also be paired with some Bluetooth-capable radios for 2-way communication.

*Video: An overview of the AXIL XCOR Wireless Earbuds Bluetooth features, including hands-free communication.*

### **Music Playback**

Enjoy studio-quality sound for your music and shows with Bluetooth 5.2 connectivity. Use the touch controls to manage playback and volume.

## **MAINTENANCE**

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Do not use harsh chemicals or abrasive materials. Ensure ear tips are free of debris.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Water Resistance:** The earbuds are water resistant, but not waterproof. Avoid submerging them in water. Dry them thoroughly if they get wet.

## TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged and removed from case. Turn Bluetooth off/on on your device. Forget device and re-pair.
No sound or low volume	Check device volume and earbud volume controls. Ensure proper fit of ear tips. Clean ear tips and speaker mesh.
Constant hissing/white noise (hearing enhancement on)	This can be normal for hearing enhancement. Try adjusting the volume level or switching to silicone tips if not in a high-noise environment.
Earbuds falling out	Experiment with different sizes and types of ear tips to find a more secure fit. Ensure proper insertion and twist.
Charging issues	Ensure charging cable is securely connected. Try a different USB port or power adapter. Clean charging contacts on earbuds and case.
