## 2. SAFETY INFORMATION

---

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Capacity:** Do not exceed the recommended weight capacity of 25 lbs per shelf. Overloading can cause structural failure.
- **Anti-Tipping Device:** Always install the provided anti-tipping hardware to secure the cabinet to a wall. This prevents accidental tipping, especially important in households with children or pets.
- **Assembly:** Assemble the cabinet on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are securely tightened before use.
- **Placement:** Place the cabinet on a level surface to ensure stability. Avoid placing it in areas with high humidity or direct sunlight to prevent material degradation.

## Anti-tipping Device

Anti-tip kit helps secure the cabinet to the wall and prevent it from wobbling or tipping over. Protecting the safety of your family.

### 3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Cabinet panels (top, bottom, sides, back)
- Adjustable shelves
- Drawer components
- Cabinet doors with rattan inserts
- Hardware pack (screws, dowels, hinges, magnetic door holders, anti-tipping kit)
- Assembly instruction manual

### 4. ASSEMBLY INSTRUCTIONS

The cabinet comes with a detailed instruction manual featuring picture displays. Each step clearly numbers screws and parts to facilitate installation. Follow the steps carefully to ensure correct and secure assembly.

1. **Unpack and Identify Parts:** Lay out all components on a soft, clean surface. Refer to the parts list in

the included manual to identify each piece.

2. **Assemble the Frame:** Connect the side panels to the base and top panels using the designated screws and dowels. Ensure all connections are snug.
3. **Install Shelves:** Insert the adjustable shelf pins into the desired holes. Place the adjustable shelves onto the pins.
4. **Assemble the Drawer:** Follow the specific instructions for assembling the drawer box and attaching the rattan front panel. Insert the assembled drawer into its designated slot.
5. **Attach Doors:** Secure the hinges to the cabinet doors and then attach the doors to the main cabinet frame. Adjust hinges as needed for proper alignment.
6. **Install Magnetic Door Holders:** Attach the magnetic door holders to the cabinet frame and the corresponding plates to the inside of the doors to ensure secure closure.
7. **Install Anti-Tipping Device:** Secure the anti-tipping bracket to the top rear of the cabinet and then to a wall stud using appropriate wall anchors.

## 6. MAINTENANCE

Proper care will extend the life and appearance of your Iwell storage cabinet.

- **Cleaning:** Wipe the cabinet surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or moisture damage to the engineered wood.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Rattan Care:** The natural rattan is durable but should be kept dry. If it gets wet, gently blot it dry.

## 7. TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common solutions:

- **Wobbly Cabinet:** Ensure the cabinet is placed on a level surface. Check that all assembly screws are tightened. Verify the anti-tipping device is securely installed.
- **Doors Not Closing Properly:** Check hinge alignment and adjust if needed. Ensure magnetic door

holders are correctly installed and aligned with the door plates.

- **Drawer Sticking:** Ensure the drawer slides are properly installed and free of obstructions. Check that the drawer box is assembled correctly.
- **Missing Parts:** If any parts are missing upon unboxing, do not proceed with assembly. Contact Iwell customer support for assistance.
