

ENKEZI CNS001

ENKEZI 2-Tier Corner Shower Stool (Model CNS001) Instruction Manual

Brand: ENKEZI | Model: CNS001

1. INTRODUCTION

Thank you for choosing the ENKEZI 2-Tier Corner Shower Stool. This manual provides essential information for the safe assembly, operation, and maintenance of your new shower stool. Please read these instructions carefully before use and retain them for future reference.

2. SAFETY INFORMATION

WARNING:

- Do not exceed the maximum weight limit of 100 lbs (as per product specifications).
- Use on a stable, non-slip surface to prevent tipping.
- Keep away from heat sources and open flames.
- Do not use if damaged or broken.
- This stool is designed for use as a footrest or for storing items, not as a primary seating solution for extended periods or for individuals requiring significant support.

3. PRODUCT FEATURES

- **Multi-functional Design:** Features a flat surface for placing shaving tools, nail polish, razors, foam cans, and other trimming tools.
- **Easy Assembly:** Designed for quick and convenient assembly, typically taking less than 2 minutes.
- **Zero Maintenance:** Constructed from fade-proof and durable proprietary Acacia wood, requiring no expensive teak oil applications or special maintenance.

- **Non-slip Stability:** Each leg is equipped with non-slip pads to ensure stability on wet surfaces.
- **Versatile Use:** Can be used as a shower bench, an ordinary stool, a space-efficient storage stool with an underneath shelf, a corner table, or a decorative item.
- **Water Resistant:** Slatted surface and waterproof coating ensure long-term use and extended service life in wet environments.

4. PACKAGE CONTENTS

Upon opening the package, please ensure all the following components are present:

- Pre-assembled main stool frame (folded)
- Connecting beam(s)
- Screws for assembly
- Hex key (Allen wrench)
- Non-slip foot pads (pre-attached or separate)
- Instruction leaflet

5. ASSEMBLY INSTRUCTIONS

The ENKEZI 2-Tier Corner Shower Stool is designed for quick and straightforward assembly. Follow these steps:

1. Carefully remove all components from the packaging.
2. Unfold the main stool frame. You will notice the top and bottom shelves are connected by hinges.
3. Position the connecting beam(s) between the legs to form a stable structure. Align the pre-drilled holes.
4. Insert the provided screws into the aligned holes and tighten them securely using the hex key. Ensure all connections are firm.
5. If not pre-attached, apply the non-slip foot pads to the bottom of each leg. These pads help prevent slipping and protect your shower floor.

Your shower stool is now assembled and ready for use.

6. OPERATING INSTRUCTIONS

The ENKEZI 2-Tier Corner Shower Stool is designed for versatile use within your bathroom environment.

- **In the Shower:** Place the stool securely in a corner of your shower. Use the top tier as a footrest for shaving legs, washing feet, or applying lotions. The lower tier provides convenient storage for shampoo, conditioner, body wash, and other shower accessories.
- **Outside the Shower:** This stool can also function as a small side table, a nightstand, or a decorative plant stand in other areas of your home, such as the living room, bedroom, or patio.

7. MAINTENANCE

To ensure the longevity and appearance of your ENKEZI 2-Tier Corner Shower Stool, please follow these maintenance guidelines:

- **Regular Cleaning:** Wipe the stool with a damp cloth after each use or as needed to remove soap residue and water spots.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the wood finish.
- **Drying:** While the stool is water-resistant, allowing it to air dry in a well-ventilated area or wiping it dry can help prevent excessive moisture buildup and prolong its life.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

WATER-RESISTANT

Easy to Maintain and Durable

With Height Adjustable Feet

8. TROUBLESHOOTING

If you encounter any issues with your ENKEZI 2-Tier Corner Shower Stool, consider the following:

- **Stool feels wobbly:** Ensure the stool is placed on a flat, even surface. Check that all assembly screws are securely tightened. The adjustable non-slip feet can be rotated to compensate for minor unevenness in the floor.
- **Slipping:** Verify that the non-slip foot pads are clean and intact. Ensure the shower floor is free from excessive soap buildup or slippery residues.
- **Mold/Mildew:** While designed for wet environments, prolonged exposure to stagnant water can lead to mold or mildew. Ensure proper ventilation in the shower and follow regular cleaning instructions. If mold appears, clean immediately with a mild anti-fungal solution and rinse thoroughly.

9. SPECIFICATIONS

Attribute	Detail
Product Dimensions	11.4"D x 11.4"W x 16.1"H
Color	Brown
Brand	ENKEZI
Size	2-Tier Corner Stool
Style	Modern
