

Armocity G001

Armocity G001 47.2-inch Gaming Desk Instruction Manual

Model: G001 | Brand: Armocity

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Retain this manual for future reference.

- Use the correct screws during assembly to prevent damage to the desk components.
- Children should not climb on the computer gaming desk for safety reasons.
- If using an electric screwdriver for assembly, exercise caution to avoid overtightening or damaging screws.
- Ensure all connections are secure before placing items on the desk.
- Do not exceed the maximum weight recommendation of 300 pounds.

PRODUCT OVERVIEW

The Armocity G001 Gaming Desk is designed for versatility and functionality, featuring integrated LED lighting, a monitor stand, and storage options. Its reversible design allows for flexible configuration to suit various spaces.

Image: The Armocity G001 Gaming Desk, showcasing its LED lighting, monitor stand, and integrated storage shelves. The desk is set up in a gaming environment with a large monitor and peripherals.

Key Features:

- **Integrated USB Charging Station & Power Outlets:** Includes 3 power outlets and 2 USB ports for convenient device charging. Cable length: 6.57 feet.
- **Compact Design with Storage:** 47.2-inch desk with two-tone grey and black boards, featuring two extra desktop storage shelves.
- **LED Lighting:** Long LED strip under the monitor stand, controllable via mobile app or RF remote, offering 20 static colors and 21 dynamic modes.
- **Fixed Monitor Stand Shelf:** Ergonomically designed non-movable monitor stand to promote correct sitting posture.
- **Reversible Design:** Storage shelves and charging port can be configured on either the left or right side.
- **Durable Construction:** Metal base material with a wood finish. Maximum weight capacity: 300 pounds.

ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow the steps below carefully. It is recommended to have a second person

assist with assembly.

Package Contents:

Verify all parts are present before beginning assembly. Refer to the included parts list in your physical manual for detailed component identification.

Step-by-Step Assembly:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble the Main Frame:** Attach the desk legs to the main desktop frame using the provided screws. Ensure all connections are finger-tight before fully tightening.
3. **Install Crossbars:** Secure the X-shaped crossbars to the rear of the desk frame for added stability.
4. **Attach Storage Shelves:** Determine your preferred orientation (left or right) for the storage shelves and attach them to the main desk structure. The design is reversible.
5. **Mount Monitor Stand:** Place the fixed monitor stand shelf onto the designated area of the desktop. This stand is non-movable once installed.
6. **Install Power Strip:** Secure the USB charging station and power outlets to the underside of the desk or in the designated area. Ensure the power cable is routed safely.
7. **Apply LED Strip:** Adhere the LED light strip to the underside of the monitor stand. Connect it to the power source.
8. **Final Tightening:** Once all components are in place, systematically tighten all screws using the provided tools. Do not overtighten.
9. **Attach Iron Hooks:** Install the iron hooks on the side of the desk as desired for headphones or other accessories.

OPERATING INSTRUCTIONS

Powering On and Using Outlets:

1. Plug the desk's main power cord into a standard wall outlet.
2. Connect your devices (e.g., monitor, laptop, phone charger) to the 3 AC outlets and 2 USB ports integrated into the desk.

LED Light Operation:

The LED lights can be controlled via a mobile application or an RF remote control.

- **Mobile App Control:** Download the designated mobile application (refer to the LED light controller's specific instructions for app name). Pair your device with the LED lights via Bluetooth or Wi-Fi as instructed by the app. Use

the app interface to select from 20 static colors or 21 dynamic modes.

- **RF Remote Control:** Use the provided RF remote control to power the lights on/off, change colors, adjust brightness, and select dynamic modes. Ensure the remote has working batteries.

APP Control

APP Control

APP Control

Image: A smartphone displaying an LED control application, demonstrating how to change the desk's LED lighting to red, green, and blue colors. The desk is shown with the corresponding light colors.

Image: A gaming desk setup featuring the Armocity G001, highlighting its RGB lighting modes. The image shows the desk illuminated with multiple colors and a graphic indicating 20 static colors and 21 dynamic modes are available.

Ergonomic Monitor Stand:

The fixed monitor stand is designed to elevate your monitor to an ergonomic height, promoting a correct sitting posture and reducing strain during extended use.

Fixed Long Monitor Stand is the Best Choice for Your Correct Sitting Position

Image: An illustration comparing incorrect sitting posture (slouching, looking down at a low monitor) with correct sitting posture (straight back, eyes level with the top of the monitor) facilitated by the desk's monitor stand.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Tightening:** Periodically check and tighten all screws to ensure the desk remains stable.
- **Electrical Components:** Ensure the power strip and LED lights are kept dry. Do not attempt to repair electrical components yourself. Contact customer support if issues arise.
- **Weight Distribution:** Distribute weight evenly across the desktop and shelves to prevent stress on any single point.

TROUBLESHOOTING

Problem: LED lights are not turning on.

Solution:

- Check if the desk's main power cord is securely plugged into a working wall outlet.
- Ensure the LED strip is properly connected to its power source.
- If using the RF remote, verify that the batteries are correctly installed and functional.
- If using the mobile app, ensure your device is paired correctly and the app is functioning.

Problem: Desk feels unstable or wobbly.

Solution:

- Re-check all assembly screws and tighten any that are loose.
- Ensure the desk is placed on a level surface. Adjust any leveling feet if present.

Problem: Power outlets or USB ports are not working.

Solution:

- Verify the main power cord is plugged in and receiving power.
- Test the outlets with a different device to confirm the issue is with the desk's outlets and not your device.
- Check for any tripped circuit breakers in your home.
