Herb Life 120 Pcs

Herb Life 120 Pcs Mini Compressed Towels User Manual

Brand: Herb Life | **Model:** 120 Pcs

1. INTRODUCTION

The Herb Life 120 Pcs Mini Compressed Towels offer a convenient and portable solution for personal hygiene and cleaning tasks. These compact towels are designed to expand into a full-sized wipe when introduced to water, making them ideal for travel, outdoor activities, home use, and office environments.

Each towel is made from a blend of 60% cotton and 40% polyester, ensuring a soft yet durable texture. Their small, coin-like form factor saves significant space in bags and luggage, providing a practical alternative to bulky traditional towels or wipes.

This image displays the product packaging: a transparent jar filled with 120 individually compressed towels, ready for storage or travel.

**PUT IT IN WATER
AND SPREAD IT OUT**

2. SAFETY INFORMATION

- Keep compressed towels out of reach of small children to prevent accidental ingestion.
- Do not consume the compressed towels. They are for external cleaning purposes only.
- Store in a cool, dry place away from direct sunlight and moisture to maintain product integrity.
- **Legal Disclaimer:** Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition. *(Note: This disclaimer is provided as per product information, though its direct relevance to towels is limited.)*

3. PACKAGE CONTENTS

- 120 x Herb Life Mini Compressed Towels

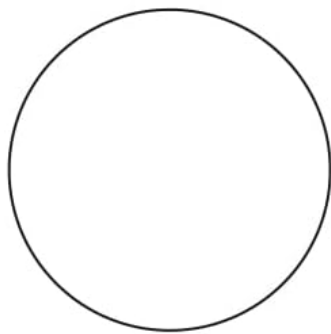

4. SPECIFICATIONS

Development size

8.7in

9in

This diagram visually compares the compact size of a compressed towel (0.8 inches in diameter) to its expanded size (8.7 by 9 inches), highlighting its space-saving design.

5. SETUP

Preparing your Herb Life Mini Compressed Towel for use is a simple and quick process.

1. **Remove a Towel:** Take one compressed towel from its packaging. It will appear as a small, coin-shaped disc.
2. **Add Water:** Place the compressed towel into a small amount of cold or warm water.
3. **Observe Expansion:** Within a few seconds, the towel will absorb the water and begin to expand and unravel into its full size.
4. **Unfold and Wring:** Once fully expanded, gently unfold the towel and wring out any excess water to achieve your desired dampness.
5. **Ready for Use:** The towel is now ready for your intended purpose.

HOW TO USE

1. Take a compressed towel

2. Wet the towel completely

3. Unfold and wring out the water from the towel

4. Ready for use

This step-by-step visual guide shows the simple process of transforming a compressed towel into a usable wipe: taking it, wetting it, unfolding it, and preparing it for use.

6. OPERATING INSTRUCTIONS

Herb Life Mini Compressed Towels are versatile and can be used for a variety of applications:

- **Personal Hygiene:** Use for facial cleansing, hand wiping, or general freshening up. They are gentle enough for skin contact.
- **Travel Companion:** Ideal for use during flights, road trips, camping, hiking, or any situation where access to traditional towels is limited.
- **Household Cleaning:** Suitable for quick clean-ups of spills, wiping down surfaces in the kitchen, bathroom, or office.
- **Outdoor Activities:** Perfect for cleaning hands before meals, wiping sweat, or general sanitation during outdoor excursions.
- **Emergency Use:** Keep a few in your car or emergency kit for unexpected situations.

The towels are designed for single-use to ensure maximum hygiene, especially in situations where washing and reusing is not practical.

Portable Compressed Coin Tissue for Travel/Home/Outdoor Activities

This image shows a woman using an expanded towel for facial cleansing, emphasizing its soft texture and suitability for personal hygiene.

7. MAINTENANCE AND CARE

These towels are designed for single-use and are disposable. No specific maintenance is required for the towels themselves after use.

- **Storage:** Store unused compressed towels in their original container or a sealed bag to protect them from moisture and contaminants. Keep them in a cool, dry place.
- **Disposal:** After use, dispose of the towels responsibly according to local waste disposal guidelines. They are biodegradable, but proper disposal is recommended.

The product jar is shown resting on a patterned blanket, illustrating its portability and readiness for use in various settings, including outdoor activities.

A hand holds the compact jar of compressed towels, demonstrating its convenient size for carrying in a bag or backpack.

8. TROUBLESHOOTING

- **Towel does not expand:** Ensure the towel is fully submerged in water for several seconds. If it still does not expand, the towel may have been exposed to moisture previously or is defective. Discard and use a new one.
- **Towel feels rough:** While generally soft, some users may find the texture slightly rough for very sensitive skin. For facial use, ensure the towel is thoroughly wet and gently dab rather than rub.
- **Unpleasant scent when wet:** A faint scent might be present when the towel is first wet. If this is a concern, rinse the expanded towel thoroughly with clean water before use.

9. WARRANTY AND SUPPORT

For any questions, concerns, or support regarding your Herb Life Mini Compressed Towels, please refer to the

retailer where the product was purchased. Specific warranty information is not provided with this manual. Please retain your proof of purchase for any potential inquiries.
