HULALA HOME SBSD0747

HULALA HOME 63" Oak Sideboard Buffet Cabinet (Model SBSD0747) Instruction Manual

Your guide to assembly, operation, and care.

INTRODUCTION

Thank you for choosing the HULALA HOME 63" Oak Sideboard Buffet Cabinet. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

IMPORTANT SAFETY WARNINGS

- Always secure the cabinet to the wall using the provided anti-tip hardware to prevent accidental tipping and potential injury.
- Do not overload the cabinet. The maximum weight capacity for this unit is **250 lbs.**
- Exercise caution during assembly to avoid injuries. It is recommended to assemble with at least two adults.
- Keep small parts and assembly tools away from children.

SETUP & ASSEMBLY

Your HULALA HOME Sideboard is designed for straightforward assembly. All necessary parts and hardware are clearly labeled and individually packaged. Follow the step-by-step instructions provided in the packaging, referring to the illustrations for guidance.

Assembly Overview

Combination of Classic and Modern

Key Assembly Tips:

- Lay out all parts on a soft, clean surface to prevent scratches.
- Identify each component using the labels and illustrations before starting.
- Do not overtighten screws during initial assembly; tighten fully once the unit is stable.
- Ensure all cam locks and dowels are properly seated for structural integrity.

OPERATING YOUR SIDEBOARD

The HULALA HOME Sideboard features a convenient push-to-open mechanism for its four doors and adjustable shelving for versatile storage.

Door Operation and Features

Sleek Push-to-Open Mechanism

Effortless Access at Your Fingertips

Sturdy Metal Legs

Enhance Stability and Durability

Figure 2: The sleek push-to-open mechanism allows for effortless access to the cabinet's interior. Simply press gently on the door to open or close.

Unique Rattan Door Panels

Elevated Visual Appeal

Figure 3: The unique rattan door panels provide both aesthetic appeal and practical ventilation.

Adjustable Shelving:

The cabinet includes two adjustable shelves, allowing you to customize the storage space to fit items of various heights. To adjust a shelf, remove any items, lift the shelf, and reposition the shelf pins to the desired height.

Ample Storage Space

Keep Items Organized and Easily Accessible

MAINTENANCE & CARE

Proper care will ensure the longevity and appearance of your sideboard.

- **Cleaning:** Wipe with a damp cloth. For spills, use a non-color mild soap mixed with warm water (1:10 soap to water ratio). Avoid harsh cleaners, polishes, detergents, solvents, abrasives, spray packs, or leather cleaner.
- **Heat & Sunlight:** Keep furniture away from direct heat sources and prolonged direct sunlight exposure, as this may cause the material to fade or warp over time.
- **Surface Protection:** To prevent scratches and marks, avoid writing directly on the furniture surface. Use protective pads or coasters when placing items on top.

TROUBLESHOOTING

If you encounter any issues with your sideboard, please refer to the following common solutions:

- **Doors Not Aligning:** If the cabinet doors do not align perfectly, adjust the hinges as needed. The assembly video

(Video 1) provides guidance on hinge adjustment.

- **Panels Not Fitting:** During assembly, ensure all panels are correctly oriented and fully seated. Double-check part numbers against the instruction manual's diagrams. Do not force parts together.
- **Push-to-Open Latch Issues:** If the push-to-open latch causes doors to bow or not close properly, ensure it is correctly installed and not overtightened. Adjust its position slightly if necessary.
- **Stability Issues:** Confirm all screws and fasteners are securely tightened. Ensure the anti-tip hardware is properly installed and anchored to the wall.

If problems persist, please contact customer support.

SPECIFICATIONS

Brand	HULALA HOME
Model Number	SBSD0747
Color	Oak-63"
Material	Engineered Wood
Product Dimensions (D x W x H)	15.7"D x 63"W x 32"H
Item Weight	91.3 Pounds
