IKIFLY HU9032-LW

IKIFLY Twin XL Bed Frame User Manual

Model: HU9032-LW

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your IKIFLY Twin XL Bed Frame. This bed frame features a storage shelf headboard, integrated LED lighting, and a convenient charging station. Please read these instructions carefully before beginning assembly to ensure proper setup and safe use of the product.

Safety Information

Please adhere to the following safety guidelines to prevent injury or damage to the product:

- Do not exceed the maximum weight capacity of 440 lbs (200 kg).
- Exercise caution with sharp edges and heavy components during assembly. It is recommended to assemble with at least two people.
- Always unplug the charging station from the power source before cleaning or when not in use. Keep the charging station away from liquids.
- Ensure LED lights are not in direct contact with flammable materials.
- Verify all connections are secure before using the bed frame.
- Keep small parts and packaging materials away from children to prevent choking hazards.

Package Contents

Before assembly, ensure all components are present. The package includes:

- Bed frame components (side rails, support legs, headboard, footboard)
- Solid wood slats
- LED light strip and remote control
- Charging station unit (2 AC outlets, 1 USB-A port, 1 USB-C port)
- Assembly hardware (screws, bolts, washers, Allen wrench)
- Installation manual

If any parts are missing or damaged, please contact customer support for assistance.

Specifications

Model Number	HU9032-LW
Size	Twin XL
Product Dimensions (L x W x H)	84.8" x 40.6" x 43.1" (215.5 cm x 103 cm x 109.5 cm)
Material	Upholstered Linen, MDF, Solid Wood Slats, Metal Frame
Color	Light Brown
Weight Capacity	440 lbs (200 kg)
Recommended Mattress Thickness	10-12 inches
Charging Station	2 Standard AC Outlets, 1 USB-A Port, 1 USB-C Port
Special Features	LED Lights, Storage Shelf Headboard, Noise-Free Design

Assembly Instructions

Assembly typically requires two adults and approximately 1-2 hours. Follow the numbered steps provided in the included installation manual. Ensure all parts are laid out and identified before beginning.

General Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and compare them against the parts list in your manual. Separate hardware into labeled bags.
2. **Assemble the Headboard:** Attach the headboard panels and the storage shelf. Secure the charging station unit into the designated slot on the headboard shelf.
3. **Attach Side Rails:** Connect the side rails to the assembled headboard using the provided bolts and hardware.
4. **Install Center Support:** Assemble and install the center support beam(s) and legs for the bed frame.
5. **Attach Footboard:** Connect the footboard to the side rails.

6. **Place Wood Slats:** Lay the solid wood slats across the bed frame. Many slats feature Velcro for secure placement. Ensure they are evenly spaced and firmly attached.
7. **Install LED Lights:** Adhere the LED light strip to the underside of the headboard shelf or as indicated in the manual. Connect it to the power source from the charging station.
8. **Final Check:** Tighten all bolts and screws. Ensure the frame is stable and level.

Note: The included instructions feature diagrams. Refer to these diagrams for visual guidance during each step.

Operating Instructions

LED Lights Operation:

The integrated LED lights can be controlled via the included remote control or a compatible smartphone application.

- **Remote Control:** Use the remote to power the lights on/off, change colors (over 60,000 DIY options), adjust brightness (6 settings), and select lighting patterns (4 patterns).
- **Smartphone App:** Download the recommended app (refer to the manual for QR code or app name) to access

advanced controls, including music synchronization and custom lighting effects.

Charging Station Usage:

The headboard features a built-in charging station for convenient access to power.

- **AC Outlets:** Two standard AC outlets are available for powering devices such as lamps, alarm clocks, or laptops.
- **USB Ports:** One USB-A port and one USB-C port are provided for charging smartphones, tablets, and other USB-powered devices.
- **Power Connection:** Ensure the charging station's power cord is securely plugged into a functional wall outlet.

Image: A detailed view of the charging station, highlighting the two AC outlets, USB-A, and USB-C ports.

Maintenance

- **Cleaning the Frame:** Wipe the upholstered surfaces with a soft, damp cloth. For wood surfaces, use a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning the Charging Station:** Ensure the charging station is unplugged before cleaning. Wipe with a dry cloth. Do not use liquid cleaners near electrical components.
- **Tightening Hardware:** Periodically check all bolts and screws and tighten them as needed to maintain stability and prevent noise.
- **Slat Inspection:** Regularly inspect the wood slats for any signs of wear or damage. Replace any broken slats immediately to ensure proper mattress support.

Troubleshooting

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose hardware; uneven floor.	Tighten all bolts and screws. Ensure the bed is on a level surface. Add felt pads under legs if necessary.
LED lights are not working.	Power connection issue; remote control battery low; LED strip not properly connected.	Check if the charging station is plugged in. Replace remote control battery. Ensure the LED strip is securely connected to the charging station.
Charging station is not providing power.	Not plugged into wall outlet; faulty wall outlet; device cable issue.	Verify the charging station is plugged into a live wall outlet. Test the wall outlet with another device. Try a different charging cable for your device.
Difficulty during assembly (e.g., holes not aligning).	Incorrect part orientation; manufacturing variance.	Review the assembly diagrams carefully. Ensure parts are oriented correctly. If issues persist, contact customer support. Do not force components.

Warranty and Support

For warranty information, please refer to the documentation included with your purchase or contact IKIFLY customer service directly. If you encounter any issues or require assistance with your product, please reach out to the manufacturer's support team.

Manufacturer: IKIFLY
