COSOOS YX02C

COSOOS Original 2 Rechargeable Headlights for Shoe Charms (1-LED) - Instruction Manual

1. PRODUCT OVERVIEW

The COSOOS Original 2 Rechargeable Headlights are compact, lightweight, and designed to attach to shoes, providing illumination for various activities. They feature multiple light modes, an adjustable beam, and are rechargeable via USB-C.

2. PACKAGE CONTENTS

Verify that all items are present in the package:

- 2 x COSOOS Rechargeable Headlights for Shoe Charms
- 1 x USB-A to 2 USB-C Charging Cable

Image: Included components: two shoe lights and a charging cable.

3. SETUP AND INSTALLATION

3.1 Initial Charging

Before first use, fully charge the headlights. Connect the provided USB-A to 2 USB-C charging cable to a power source and to the USB-C port on each headlight. The green indicator light will flash during charging and become solid green when fully charged. Charging typically takes 40-60 minutes.

3.2 Attaching to Shoes

The headlights feature a soft silicone bandage (strap) design for secure attachment. Hold the lamp on by the heel strap or attach it to jogging shoes using the shoelaces. Ensure the light is firmly secured to prevent wobbling during activity.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off and Light Modes

The headlight features an easy-touch switch button. Short press the power button to cycle through the four available light modes:

1. **Constant High Light:** Provides maximum brightness.
2. **Constant Low Light:** Provides reduced brightness for extended battery life.
3. **Fast Frequency Flashing:** A rapid flashing mode for increased visibility.
4. **SOS Strobe Light:** A long press for 5 seconds activates an SOS signal.

To turn off the light, continue pressing the power button until the light switches off, or long press for 5 seconds to activate SOS and then press again to turn off.

4 Light Modes

Image: Overview of the four light modes.

4.2 Adjusting Beam Angle

The headlight features a 90-degree pivoting head, allowing you to direct the light exactly where needed. Manually adjust the angle of the light head to suit your visibility requirements.

Rechargeable Lithium Battery Light

 Lithium Battery: 350 mAh

 Working Hours: 5-20 hours

 2IN1 USB-C Charging Cable Included

 50 Lumen Bright Lights

 Charging Time: 45 minutes

Image: Adjustable 90-degree wide angle feature.

5. MAINTENANCE

5.1 Charging

Recharge the lights using the provided USB-C cable when the brightness diminishes. A full charge takes approximately 40-60 minutes and provides 5-20 hours of working time depending on the mode used.

5.2 Cleaning

Wipe the headlights with a soft, damp cloth to remove dirt or debris. Do not use abrasive cleaners or solvents.

5.3 Storage

Store the headlights in a cool, dry place away from direct sunlight when not in use for extended periods. Ensure they are fully charged before storing to maintain battery health.

5.4 Water Resistance

The headlights are IPX6 waterproof, making them suitable for daily walking and use in various weather conditions. Avoid submerging them in water.

6. TROUBLESHOOTING

- **Light not turning on:** Ensure the battery is charged. Connect to the USB-C cable and check if the charging indicator light appears.
- **Light not charging:** Verify that the USB-C cable is properly connected to both the light and the power source. Try a different USB power adapter or cable.
- **Light not staying attached:** Ensure the silicone strap is securely fastened around the shoe strap or laces. The design is intended for a snug fit to prevent wobbling.

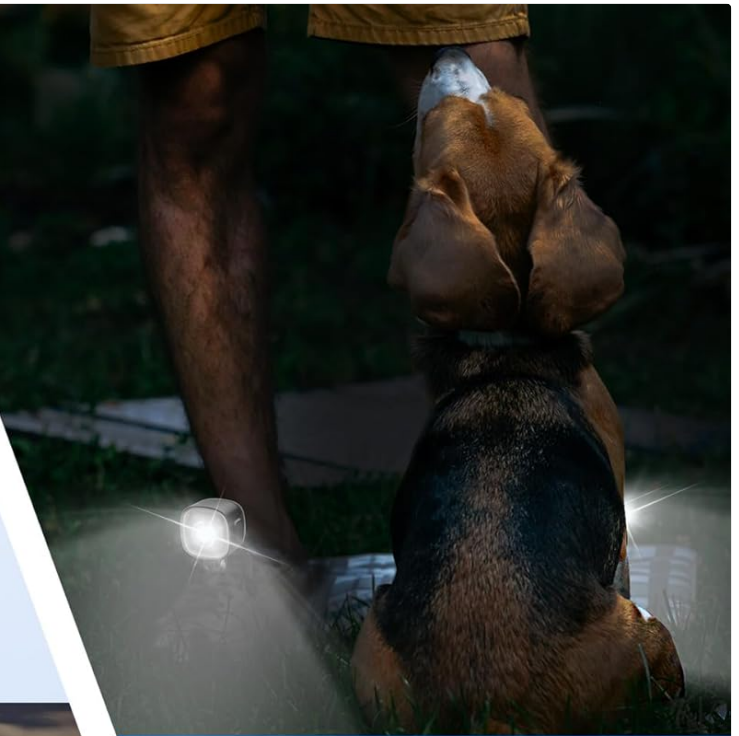

7. SPECIFICATIONS

Model Number	YX02C
Brand	COSOOS
Light Source Type	LED (1-LED per light)
White Brightness	50 Lumens
Power Source	USB-C Rechargeable
Battery Type	Lithium Polymer
Battery Capacity	350 mAh
Working Hours	5-20 hours (depending on mode)
Charging Time	Approximately 40-60 minutes
