Safe and secure

This image illustrates the key benefits of the Luqeeq Portable Potty, highlighting its convenient folding, ease of cleaning, portability, and secure design for outdoor use.

Made from premium PP material, this potty is not only strong and sturdy but also boasts a high load-bearing capacity, safely supporting up to 50 kg, allowing it to double as a stool.

The potty demonstrates its robust construction by supporting a 50 kg weight, emphasizing its strength and reliability.

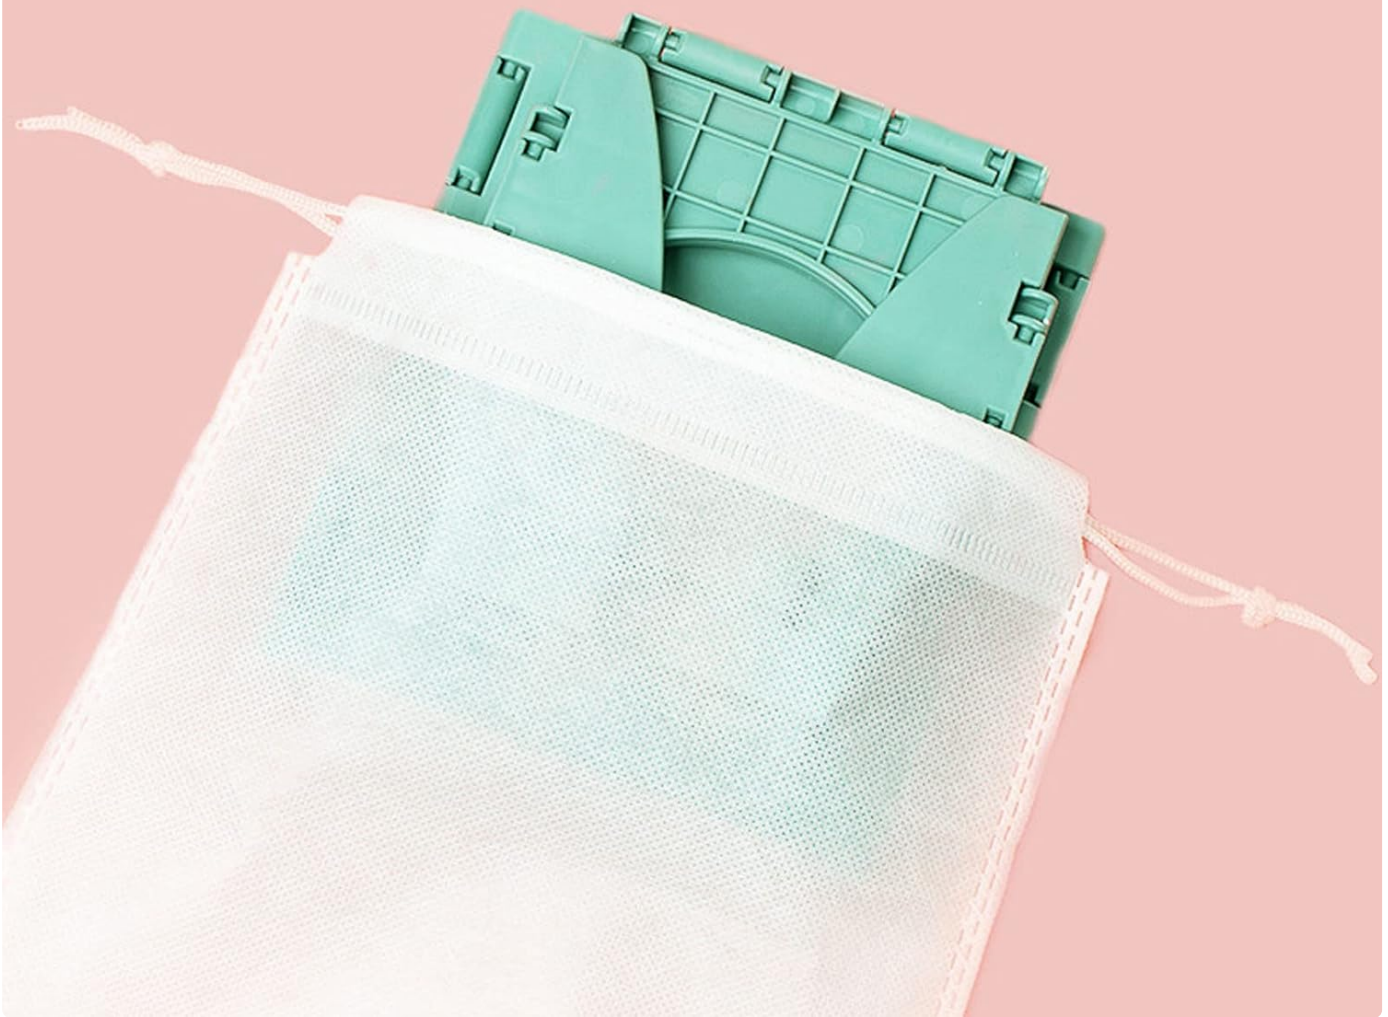

2. PRODUCT COMPONENTS

The package includes all necessary items for immediate use:

- 1 x Toddler Potty

- 1 x Trash Bag
- 1 x Storage Bag
- 1 x Strap

With storage bag Convenient to carry

The image shows the portable potty neatly packed into its included storage bag, highlighting its compact nature for travel.

3. SETUP AND ASSEMBLY

The Luqeeq Portable Potty is designed for quick and easy setup. It folds and unfolds in a single step, making it ready for use in minutes.

1. Unfold the main body of the potty until it forms a stable rectangular shape.
2. Attach the toilet seat component by aligning the hinges and pressing down until it clicks securely into place.

3. Ensure all parts are firmly connected before use.

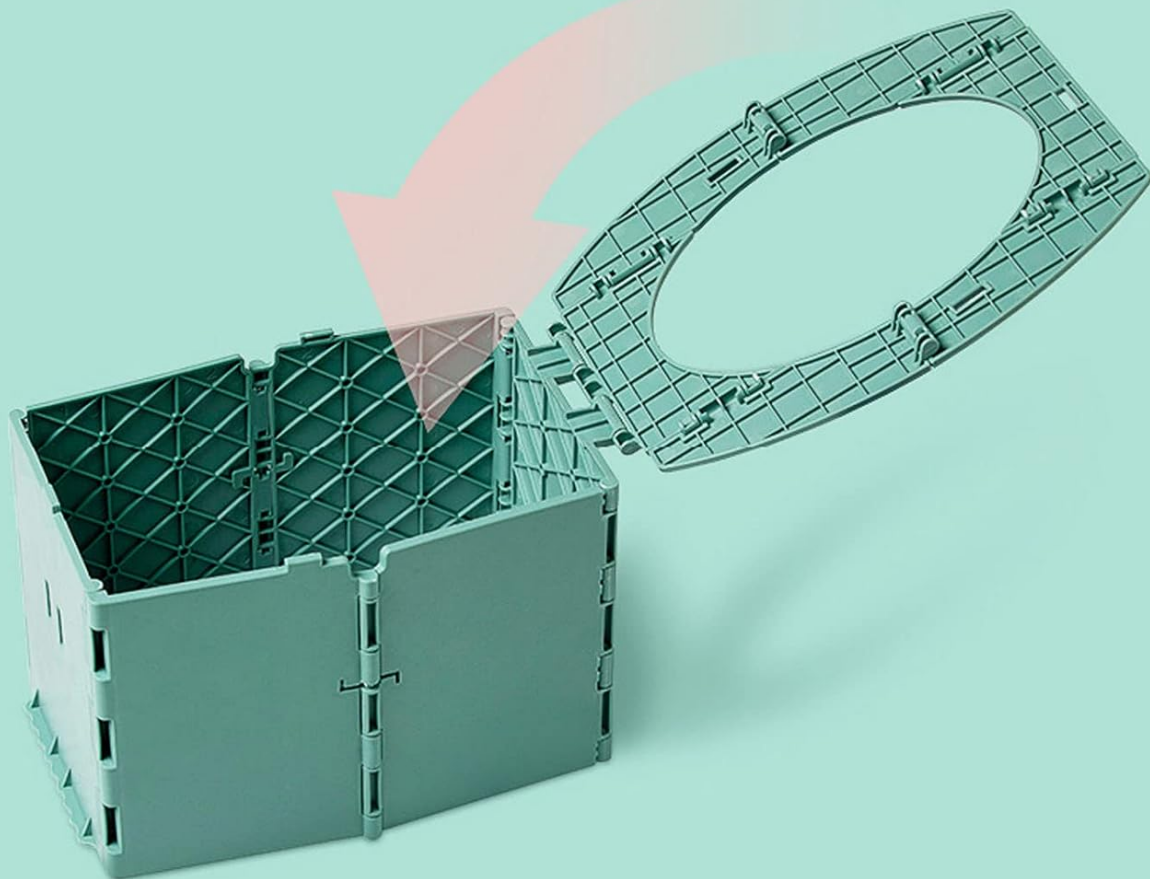

Portable disassembly and assembly

Developing a baby's sense of independence

Cultivate focus

Independent
knowledge

This illustration demonstrates the simple process of disassembling and assembling the portable potty, emphasizing its user-friendly design.

To fold for storage, reverse the steps: detach the seat, then collapse the main body flat. Its compact size allows it to fit easily into the included storage bag or a car.

The main product image shows the Luqeeq Portable Potty fully assembled and ready for use, highlighting its functional design.

4. OPERATING INSTRUCTIONS

This portable potty is versatile and suitable for various situations:

- **Travel and Road Trips:** Ideal for long-distance driving and family vacations, providing a convenient solution when public restrooms are unavailable or unhygienic.
- **Camping and Outdoor Activities:** A practical choice for outdoor adventures where traditional facilities are not accessible.
- **Home Use:** Can be used as a regular potty training seat for boys and girls, aiding in the transition to independent toilet use.

Its perfect height allows babies to sit comfortably, making the potty training process more effective.

Travel

On board

outdoors

This image illustrates the various applicable scenarios for the portable potty, including travel, use in a vehicle, and outdoor settings, showcasing its versatility.

5. MAINTENANCE AND CLEANING

The Luqeeq Portable Potty is designed for easy and hygienic cleaning:

1. After use, simply remove the disposable trash bag from the potty.
2. Dispose of the bag responsibly.
3. Wipe down the potty seat and frame with a damp cloth and mild soap if necessary.
4. Allow all parts to air dry completely before folding and storing.

This method ensures minimal direct contact with waste, promoting a more hygienic experience, especially when used in

public or during travel.

6. TROUBLESHOOTING

While the Luqeeg Portable Potty is designed for reliability, here are some common issues and solutions:

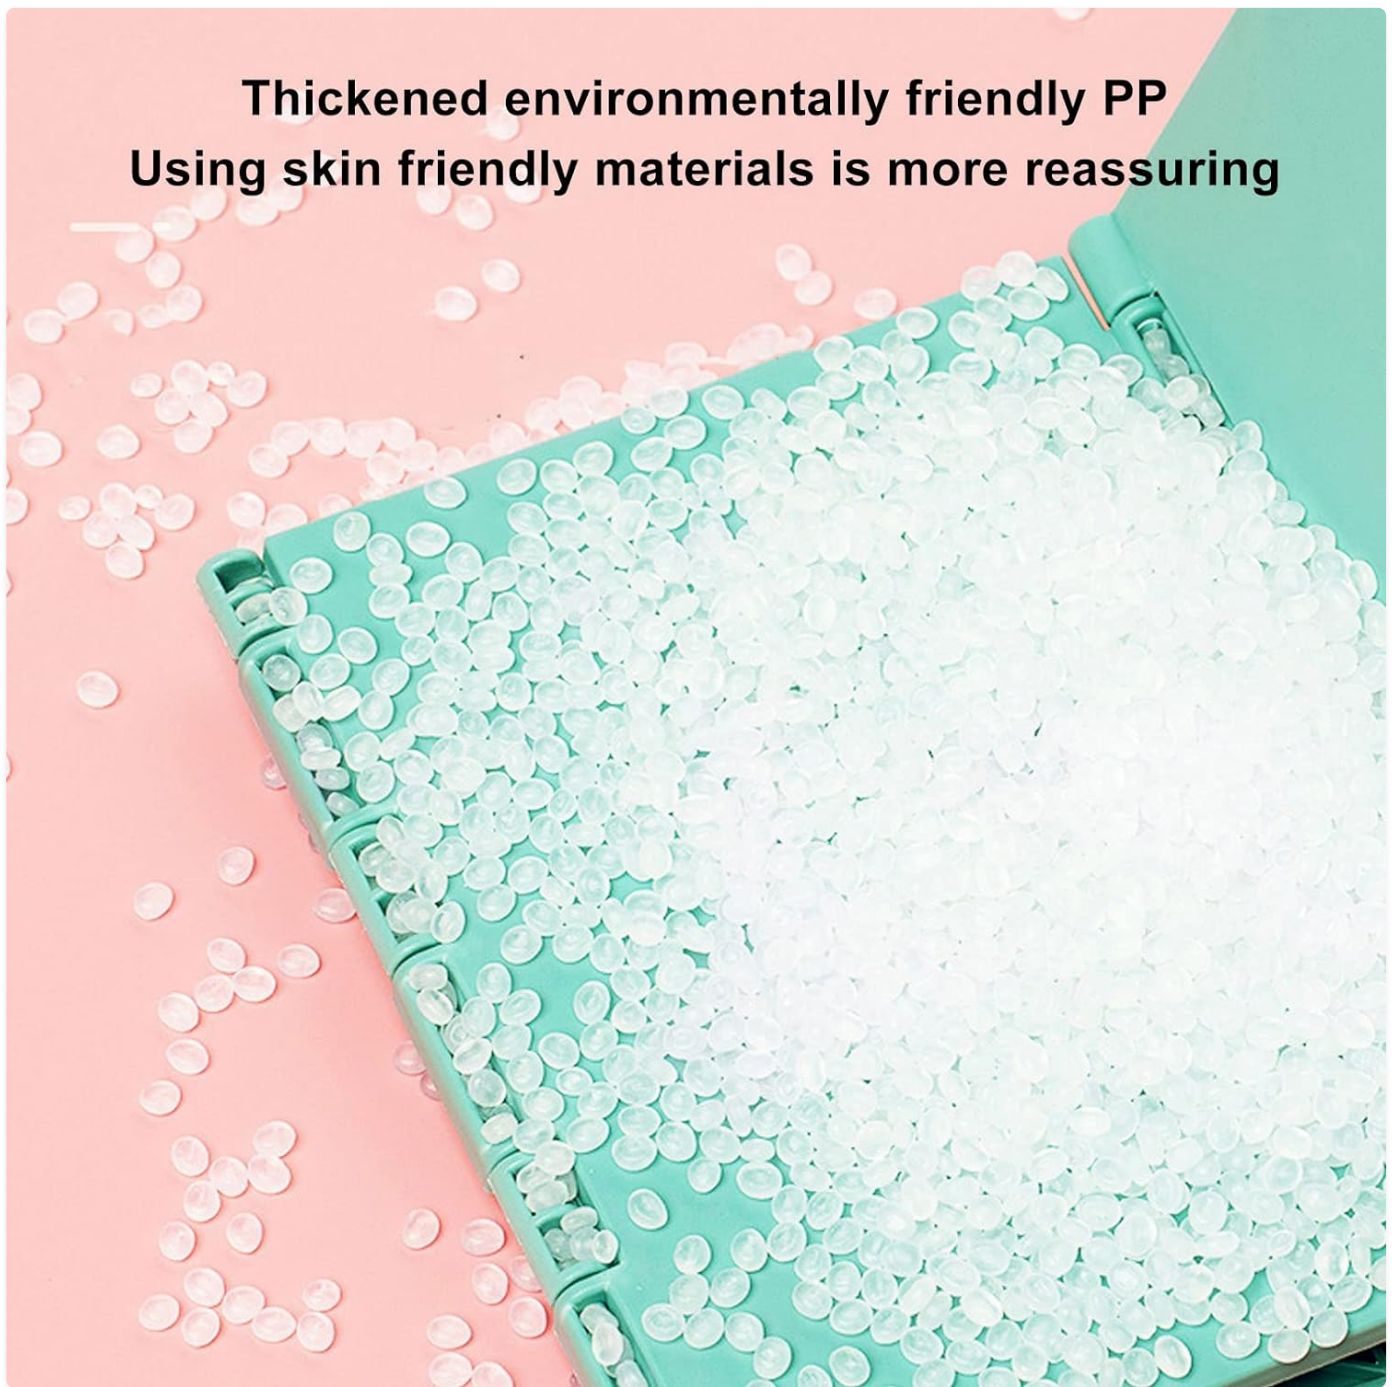

- **Potty feels unstable:** Ensure all folding panels are fully extended and locked into place. The seat should be securely clicked onto the base.
- **Difficulty folding/unfolding:** Check for any obstructions or misalignments. Apply gentle, even pressure. Do not force the mechanism.
- **Odors persist after cleaning:** Ensure disposable bags are used correctly and removed promptly after use. Clean the potty thoroughly with a disinfectant wipe or mild soap and water, then allow it to air dry completely.

If you encounter any issues not listed here, please refer to the Warranty and Support section for contact information.
