OPERATING INSTRUCTIONS

Rocking Chairs

The rocking chairs feature an elegant retro design with slightly curved arms and a smooth rocking function. The Textilene fabric is breathable, providing comfort even in warm weather.

- Sit centrally in the chair to ensure balanced rocking.
- Avoid excessive or aggressive rocking to prevent tipping.
- The ergonomic design of the armrests and the supportive backrest enhance comfort during use.

ROCKING DESIGN

Safety tested and passed. The user's weight is always within the center of the rocking chair at any rocking position.

MAINTENANCE

Proper maintenance will extend the life and appearance of your outdoor bistro set.

- **Cleaning:** Wipe with a dry cloth. For deeper cleaning, use a mild soap and water solution. Rinse thoroughly and dry completely to prevent water spots or rust.
- **Fabric Care:** The Textilene fabric is tear and weather-resistant. It can be easily cleaned with a damp cloth. Avoid harsh chemicals that may damage the fabric.
- **Frame Care:** The heavy-duty steel frame is powder-coated for resistance against water, UV rays, and rust. Inspect the frame periodically for any signs of wear or damage.
- **Glass Care:** Clean the tempered glass table with a glass cleaner and a soft cloth. Avoid abrasive cleaners or tools that could scratch the surface.
- **Storage:** During prolonged periods of non-use or harsh weather conditions, it is recommended to cover the furniture or store it indoors to protect it from the elements.

TROUBLESHOOTING

If you encounter any issues with your Vongrasig 3-Piece Outdoor Rocking Bistro Set, please refer to the following

common solutions:

- **Wobbly Chair/Table:** Check all bolts and screws to ensure they are fully tightened. Uneven surfaces can also cause wobbling; ensure the furniture is placed on a flat, stable area.
- **Difficulty Rocking:** Ensure the rocking bases are free from obstructions and debris. Verify that the chairs are assembled correctly according to the instructions.
- **Scratches on Glass Table:** While tempered glass is durable, avoid dragging rough objects across its surface. Use coasters for drinks and placemats for other items.
