INSOON 00981

INSOON Fishing Village Boutique House Building Toy

Model: 00981 | Brand: INSOON

INTRODUCTION

This instruction manual provides essential information for the assembly, operation, and maintenance of your INSOON Fishing Village Boutique House Building Toy. This creative 3-story wooden cabin construction set features 1845 mini bricks and an innovative LED lighting design, offering a detailed and engaging building experience. Please read this manual thoroughly before beginning assembly.

SAFETY GUIDELINES

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years of age due to choking hazards.
- **Recommended Age:** This building toy is recommended for ages 8-18 years. Adult supervision is advised during assembly for younger builders.
- **Material Safety:** The building blocks are made from high-quality ABS material. Ensure all parts are handled as intended.
- **LED Light Safety:** The LED light strip requires batteries. Ensure batteries are inserted correctly and disposed of properly. Do not expose the LED components to water.

PACKAGE CONTENTS

Your INSOON Fishing Village Boutique House Building Toy package includes:

- Approximately 1845 mini building blocks (3.6mm size).
- Detailed instruction manual for assembly.
- LED light strip and battery compartment (batteries included).
- Various accessory pieces including realistic fishing equipment, tools, and decorative elements.

ASSEMBLY INSTRUCTIONS

The assembly process for the INSOON Fishing Village Boutique House is designed to be engaging and educational. Follow the included printed instruction manual for step-by-step guidance.

1. **Preparation:** Unpack all bags of building blocks. It is recommended to sort the pieces by color or type to facilitate assembly.
2. **Follow the Manual:** Refer to the detailed instruction book provided in the package. Each step is illustrated to guide you through the construction of the base, walls, floors, and roof sections.
3. **LED Light Integration:** The LED light strip is integrated during specific assembly steps. Carefully follow the instructions for routing and connecting the light strip to ensure proper functionality.
4. **Detailed Elements:** Pay attention to the placement of smaller decorative elements and fishing accessories to bring the village house to life.
5. **Modular Design:** The 3-story structure features a main part and roofs that are designed for easy disassembly, allowing for interior access and role-play.

LED LIGHTING OPERATION

The INSOON Fishing Village Boutique House features an integrated LED lighting system to enhance its visual appeal.

1. **Power Source:** The LED light strip is powered by batteries located in a dedicated compartment. Ensure the batteries are correctly installed according to the polarity markings.
2. **Activation:** Locate the power switch on the battery compartment. Flip the switch to the 'ON' position to illuminate the model.
3. **Deactivation:** To turn off the lights, flip the power switch to the 'OFF' position.
4. **Battery Replacement:** If the lights dim or stop working, replace the batteries with new ones of the specified type.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your building toy, follow these care instructions:

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the model. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture, especially near electrical components.
- **Storage:** Store the assembled model or disassembled pieces in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model with care to avoid accidental breakage of smaller parts.

TROUBLESHOOTING

If you encounter any issues with your INSOON Fishing Village Boutique House Building Toy, refer to the following

common solutions:

- **Missing Pieces:** In the rare event of missing pieces, carefully check all packaging materials. If pieces are still missing, contact INSOON customer support with your product model number and a description of the missing parts.
- **LED Lights Not Working:**
 - Ensure batteries are correctly installed and not depleted.
 - Check that the power switch is in the 'ON' position.
 - Verify that all connections of the LED light strip are secure.
- **Difficulty in Assembly:** Ensure you are following the instruction manual step-by-step. Some pieces may require firm but gentle pressure to connect. If a step is unclear, review the illustrations carefully.
