SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product.

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children away during assembly.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 400 lbs (181 kg) on the top surface of the chest. Overloading may cause damage or injury.
- **Safety Hinges:** The chest is equipped with two safety hinges designed for slow and smooth closing to prevent finger pinching. Always ensure the hinges are functioning correctly.
- **Proper Placement:** Place the storage chest on a flat, stable, and level surface to prevent tipping.
- **Avoid Climbing:** Do not allow children to climb inside or on top of the chest. This is not a toy.
- **Ventilation:** Ensure adequate ventilation if storing items that require air circulation.

- **Moving the Chest:** Use the fluted handles on the sides and front to move the chest. Ensure the lid is closed and secured before moving.

SETUP AND ASSEMBLY

The ZenStyle Storage Chest is designed for easy assembly. Please follow the included instructions carefully.

1. **Unpack Components:** Carefully unpack all parts and hardware from the packaging. Place them on a clean, soft surface to prevent scratches.
2. **Verify Parts:** Compare the components with the parts list provided in the separate instruction sheet to ensure all pieces are present.
3. **Follow Instructions:** Refer to the detailed assembly instructions provided in the package. All holes are pre-drilled and aligned for straightforward assembly.

4. **Secure Fasteners:** Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the material.
5. **Hinge Installation:** Pay close attention to the installation of the two safety hinges. These are crucial for the safe operation of the lid.

OPERATING INSTRUCTIONS

Using your ZenStyle Storage Chest is simple and versatile.

- **Opening the Lid:** Use the U-shaped handle on the front of the lid to lift it. The safety hinges will hold the lid open at various angles, up to approximately 90 degrees, preventing accidental slamming.
- **Closing the Lid:** Gently push the lid downwards. The safety hinges will engage, allowing the lid to close slowly and smoothly.

- **Storage:** Utilize the ample interior space (Inner Dimension: 27.8" W x 14" D x 16" H) to store items such as blankets, pillows, books, toys, or other household goods.
- **Seating:** The sturdy top plate (0.6in/15mm thick) provides a weight capacity of up to 400 lbs, allowing the chest to be used as a bench for sitting.
- **Portability:** The fluted handles on the sides and front facilitate easy movement and carrying of the chest when needed.

Large Storage Capacity

Maintain a tidy space by keeping your things hidden

CARE AND MAINTENANCE

To ensure the longevity and appearance of your ZenStyle Storage Chest, follow these care guidelines:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as they may damage the finish. The premium medium-density fiberboards are designed for easy cleaning and durability.
- **Spills:** Promptly wipe up any spills to prevent water damage, as the material is waterproof.
- **Hinge Check:** Periodically check the safety hinges to ensure they are clean and operating smoothly. If they become stiff, a small amount of silicone lubricant can be applied.
- **Tighten Fasteners:** Occasionally check and retighten any loose screws or fasteners to maintain structural integrity.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or warping.
- **Humidity Control:** Maintain a stable humidity level in the room to prevent material expansion or contraction.

TROUBLESHOOTING

If you encounter any issues with your ZenStyle Storage Chest, please refer to the following common solutions:

- **Lid Not Closing Smoothly:**
 - Check if any items inside the chest are obstructing the lid.
 - Inspect the safety hinges for any debris or damage. Clean or lubricate if necessary.
 - Ensure all hinge screws are securely tightened.
- **Chest Wobbles:**
 - Verify that the chest is placed on a flat and level surface.
 - Check and tighten all assembly screws.
- **Missing Parts:**
 - If you find any parts missing during assembly, please contact ZenStyle customer support immediately.

For issues not covered here, please contact ZenStyle customer support for assistance.
