COSTWAY 31-inch Swivel Bar Stools (Set of 4) Instruction Manual

Model: 10541-CYJV

1. PRODUCT OVERVIEW

Thank you for choosing COSTWAY 31-inch Swivel Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read it thoroughly before use and retain it for future reference.

These bar stools feature a 360° swivel seat, an ergonomic 106° inclined backrest, and comfortable padding made of breathable linen fabric and high-density sponge. Constructed with sturdy rubber wood, they are designed for durability and stability, supporting up to 330 lbs per stool. The design includes delicate rivets and tufted buttons, adding a stylish touch to any setting.

Image 1.3: Ergonomic backrest with stylish tufted design and rivets.

Image 1.4: Bar stools suitable for various applications, such as kitchen islands.

2. SAFETY INFORMATION

- **Assembly Required:** Ensure all parts are correctly assembled according to the instructions before use.
- **Stability Warning:** Do not lean back excessively or stand on the stools to avoid tipping and potential injury.
- **Weight Limit:** Each bar stool has a maximum load capacity of 330 lbs (150 kg). Do not exceed this weight limit.
- **Foot Pads:** The solid wood legs are equipped with protective foot pads. Ensure these are in place to prevent scratches on your flooring.
- **Intended Use:** These stools are designed for seating at bar tables ranging from 40 to 43 inches in height.

3. PACKAGE CONTENTS

Please check the package to ensure all components are present and undamaged. The package includes:

- 4 x Bar Chairs (for a set of 4)
- 1 x User Guide (this manual)
- All necessary assembly hardware (screws, washers, Allen wrench, etc. - *specifics not provided, assume standard hardware*)

4. ASSEMBLY INSTRUCTIONS

Assembly is required for these bar stools. While specific step-by-step diagrams are not provided in this manual, the general process involves attaching the seat to the base and securing the legs. Please follow the detailed assembly instructions included in your package for precise guidance.

1. Unpack all components and verify against the package contents list.
2. Place all parts on a soft, clean surface to prevent scratches during assembly.
3. Attach the seat to the leg frame using the provided hardware. Ensure all screws are finger-tightened initially.
4. Once all connections are made, gradually tighten all screws with the provided Allen wrench until secure. Do not overtighten.
5. Ensure the stool is stable and level before use.

5. OPERATING INSTRUCTIONS

5.1. Swivel Function

The bar stools are equipped with a 360° swivel mechanism. To use, simply rotate the seat in any desired direction. This feature allows for easy movement and interaction in various settings.

5.2. Footrest Usage

Each stool includes an 11-inch elevated footrest. This footrest provides comfort and support, allowing you to rest your feet and maintain a comfortable posture while seated.

6. MAINTENANCE AND CARE

- **Cleaning Fabric:** For general cleaning, gently vacuum the linen fabric to remove dust. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner following the product's instructions, testing on an inconspicuous area first.
- **Cleaning Wood:** Wipe the rubber wood legs with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the wood finish. Dry immediately with a clean cloth.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading of the fabric and drying of the wood.
- **Protect Flooring:** Ensure the protective foot pads are always in good condition to prevent scratches on your floors. Replace if worn.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Stool feels wobbly or unstable.	Loose assembly hardware. Uneven floor surface.	Check and tighten all screws. Adjust foot pads if applicable, or place a shim under a leg if the floor is uneven.
Swivel mechanism is stiff or noisy.	Lack of lubrication. Debris in the mechanism.	Apply a small amount of silicone-based lubricant to the swivel mechanism. Ensure no debris is obstructing movement.
Fabric appears stained or dirty.	Spills or accumulated dirt.	Refer to the "Cleaning Fabric" section in Maintenance and Care.
