2. SETUP AND ASSEMBLY

Assembly of the ODK U Shaped Desk is required. Please follow the instructions carefully to ensure proper and stable construction. While assembly tools are not included, the design allows for straightforward setup.

2.1 Reversible Configuration

The desk features a reversible design, allowing you to install the drawer unit on either the left or right side to best suit your space and usage habits. Plan your desired configuration before beginning assembly.

2.2 Product Dimensions

Ensure you have adequate space for the desk. The overall dimensions are approximately 19.69 inches (D) x 65.75 inches (W) x 29.72 inches (H). The monitor stand is height-adjustable, providing ergonomic sight levels.

4. MAINTENANCE

To maintain the longevity and appearance of your ODK U Shaped Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood and metal components.
- **Weight Distribution:** Distribute weight evenly across the desk surface and shelves. Do not exceed the maximum weight recommendation of 138 pounds.
- **Electrical Components:** Ensure the power strip and LED components are kept dry. Do not attempt to disassemble or repair electrical parts yourself.

5. TROUBLESHOOTING

If you encounter any issues with your ODK U Shaped Desk, consider the following common solutions:

- **Stability Issues:** If the desk feels wobbly, check all screws and bolts to ensure they are tightened securely. Ensure the desk is on a flat, even surface.
- **LED Lights Not Working:** Verify that the power cord for the LED strip is properly plugged into a working outlet and securely connected to the LED controller. Check if the remote control (if applicable) has working batteries.

- **Power Outlets Not Functioning:** Ensure the main power cord for the built-in power strip is fully inserted into a live wall outlet. Check if the circuit breaker has tripped.
- **Drawers Sticking:** Ensure the fabric drawers are correctly inserted into their compartments and are not overloaded.

For persistent issues not covered here, please contact ODK customer support.
