ODK L Shaped Gaming Desk User Manual

Model: B02020901004USAN0419ASMO9MH

PRODUCT OVERVIEW

The ODK L Shaped Gaming Desk is designed for both home office and gaming environments, offering a spacious and organized workspace. It features a sturdy metal frame and high-quality MDF board, ensuring durability and stability. This versatile desk includes integrated power outlets, LED lighting, ample storage with file drawers and open shelves, and a monitor stand to enhance your productivity and comfort.

KEY FEATURES

- **Sturdy & Stable Structure:** Constructed with a durable metal frame and high-quality MDF board, measuring 19.7"D x 53.1"W x 29.5"H.
- **Integrated Power Outlets & Monitor Stand:** Features 3 standard AC outlets and 2 USB ports for convenient charging. The long monitor stand supports neck and spine health while providing extra storage.
- **Cool LED Lighting:** Built-in LED lights with 10 colors, 10 dynamic modes, and 8 adjustable brightness levels, including a power-off memory function.
- **Ample Storage Space:** Includes 2 tiers of open shelves on both sides for various items and 2 file drawers designed for letter and A4 size folders.
- **Reversible Design:** The desk can be assembled in a reversible L-shape to fit different room configurations.

SETUP AND ASSEMBLY

Your ODK L Shaped Gaming Desk comes with a complete set of assembly tools and easy-to-follow installation instructions. Please confirm the size of the desk before beginning assembly to ensure it fits your intended space. It is recommended to assemble the desk on a stable, level surface to prevent damage or injury.

The desk features a reversible design, allowing you to configure the L-shape to either the left or right side based on your preference and room layout. Follow the detailed diagrams in the included manual for step-by-step assembly.

OPERATION

Power Outlets and USB Ports

The desk is equipped with a recessed power strip featuring 3 standard AC outlets (125V/12A) and 2 USB ports (5V/2A). This allows for convenient charging of cell phones, laptops, gaming devices, and other office equipment directly from your desk. The power cord is 6.5 feet long.

LED Lighting System

The built-in LED lights offer 10 colors, 10 dynamic modes, and 8 levels of adjustable brightness to create a customized ambiance. The system includes a power-off memory function, which means it will remember the last mode used when you turn it on again.

To control the LED lights, use the integrated control panel:

- **Static Color Button (C):** Press to switch to static color mode. Each press changes the color.
- **Dynamic Mode Button (M):** Press to switch to dynamic effect mode. Each press changes the dynamic mode. Press and hold for 3 seconds to enter demo mode, where the strip cycles through various dynamic modes automatically.
- **Speed & Brightness and Power Button (S/B):**

- In static mode, press to adjust brightness (8 levels).
- In dynamic mode, press to adjust dynamic mode speed.
- Press and hold to turn off the strip when it is on. Press to turn it on when it is off.

STORAGE AND ORGANIZATION

The ODK L Shaped Gaming Desk provides extensive storage solutions to keep your workspace tidy and organized.

File Drawers

Two file drawers are included, designed to accommodate both letter and A4 size folders. These drawers help in organizing documents and keeping them out of sight, contributing to a clutter-free desk surface.

Open Shelves

The desk features two tiers of open shelves on both sides, providing convenient space for storing and displaying various items such as a printer, office accessories, books, plants, or a computer host. These shelves are designed for easy access and visibility of your items.

Monitor Stand

A long monitor stand is integrated into the desk, offering additional storage space while promoting ergonomic posture by raising your monitor to an optimal viewing height. The monitor stand is adjustable to three different heights: 3.9 inches, 5.1 inches, and 6.3 inches, allowing you to customize it for your comfort and setup.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your ODK L Shaped Gaming Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces regularly with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Stability:** Always ensure the desk is placed on a stable, level surface. Periodically check and tighten all screws and connections to maintain structural integrity.
- **Weight Distribution:** Distribute weight evenly across the desk surface. Avoid placing excessively heavy objects on any single point, especially on the monitor stand, to prevent potential damage or tipping. The desk has a load-bearing capacity of 110 lbs for the main desktop and 33 lbs for the monitor stand.
- **Heat and Moisture:** Keep the desk away from direct heat sources and excessive moisture to prevent warping or damage to the MDF board. Use coasters for drinks to protect the surface from spills and scratches.

TROUBLESHOOTING

If you encounter any issues with your ODK L Shaped Gaming Desk, consider the following common troubleshooting tips:

- **Assembly Difficulties:** If parts do not align or screws are difficult to insert, double-check the assembly

instructions and ensure all pieces are in the correct orientation before tightening screws. Sometimes, slight adjustments are needed before final tightening.

- **Monitor Stand Sturdiness:** While designed to be sturdy, if you plan to use two monitors or a particularly heavy monitor, ensure the weight does not exceed the monitor stand's capacity (33 lbs). Consider using additional support if you notice any instability.
- **LED Lights Not Working:** Verify that the LED strip is properly connected to the power source and the control panel. Ensure the power button on the control panel is pressed. If issues persist, check for any visible damage to the wiring.
- **Power Outlets Not Functioning:** Confirm the desk's main power cord is securely plugged into a working wall outlet. Check if the power strip's circuit breaker (if present) has tripped.
- **Missing or Damaged Parts:** If any parts are missing or damaged upon arrival, please contact customer support immediately for assistance.

PRODUCT SPECIFICATIONS

Feature	Specification
