

RORRY D6

RORRY Portable Charger Instruction Manual

Model: D6

1. INTRODUCTION

Thank you for choosing the RORRY Portable Charger. This 10000mAh power bank is designed for convenient and fast charging of your Apple Watch, iPhone, and various Android devices, featuring built-in cables and multiple output ports. Please read this manual carefully before use to ensure optimal performance and safety.

2. SAFETY INFORMATION

To prevent damage, electric shock, injury, or fire, please observe the following safety precautions:

- Do not expose the power bank to extreme temperatures (above 60°C/140°F) or direct sunlight.
- Do not disassemble, modify, or repair the device yourself. Contact qualified service personnel.
- Keep away from water, moisture, and flammable materials.
- Avoid dropping or subjecting the device to strong impacts.
- Do not use if the device is visibly damaged or swollen.
- Keep out of reach of children.
- Use only certified charging cables and adapters.

3. PRODUCT OVERVIEW

The RORRY Portable Charger (Model D6) is a versatile charging solution. Familiarize yourself with its components:

- **Built-in Lightning Cable:** For Apple iPhone devices.
- **Built-in USB-C Cable:** For Android devices and other USB-C compatible devices.
- **Foldable Apple Watch Magnetic Charger:** Integrated wireless charging for Apple Watch.
- **USB-C Input/Output Port:** For recharging the power bank or charging other devices.
- **USB-A Output Port:** For charging devices via a standard USB-A cable.
- **LED Battery Level Indicators:** Four blue LED lights indicate the remaining battery capacity.

- **Power Button:** Activates the power bank and checks battery level.

4. SETUP

Before first use, fully charge your RORRY Portable Charger.

4.1 Charging the Power Bank

1. Connect the included USB-C to USB-A charging cable to the USB-C Input/Output port on the power bank.
2. Plug the USB-A end of the cable into a USB wall adapter (not included) or a computer's USB port.
3. The LED indicators will light up progressively, indicating the charging status. All four LEDs will be solid when fully charged.

A full charge takes approximately 2.5 hours using a suitable adapter.

Product Specifications

Size	20.3*118.9*75.0 mm
Capacity	10000mAh
Input	Type-C:5V/3A、 9V/2A、 12V/1.5A
Output	Type-C:5V/3A、 9V/2A、 12V/1.5A USB-A:5V/3.1A、 9V/2.22A、 12V/1.67A
Built-in Cable	5V/2A （12W MAX）
Apple Watch Charger	2.5W （MAX）

5. OPERATING INSTRUCTIONS

The RORRY Portable Charger offers multiple ways to charge your devices simultaneously.

5.1 Charging Apple Watch

1. Fold out the magnetic charging module for Apple Watch.
2. Place your Apple Watch onto the magnetic charger. Ensure it aligns correctly and charging begins.

The magnetic wireless charging module can charge your Apple Watch 9 to 50% in 1 hour and to 100% in 2

hours.

Foldable Apple Watch Magnetic Wireless Charger

Image: The RORRY Portable Charger demonstrating its foldable Apple Watch magnetic wireless charger, showing an Apple Watch being charged.

5.2 Charging iPhone and Android Devices

1. **Using Built-in Cables:** Pull out the appropriate built-in Lightning or USB-C cable and connect it to your device.
2. **Using USB-A/USB-C Ports:** Connect your device's charging cable to the USB-A output port or the USB-C input/output port on the power bank.
3. Press the power button to initiate charging if it doesn't start automatically.

The 22.5W (max) USB-A and USB-C output ports can charge an iPhone 15 to 50% in 30 minutes. The 12W built-in charging cable can charge an iPhone 15 to 40% in 30 minutes.

Charge **5** Device Simultaneously

Image: Illustration showing the 22.5W fast charging capability via USB-A and USB-C ports, highlighting rapid charging times for compatible devices.

5.3 Pass-Through Charging

The power bank supports pass-through charging, allowing it to be recharged while simultaneously charging connected devices. This is useful for managing power when outlets are limited.

6. MAINTENANCE

- Clean the power bank with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Store the device in a cool, dry place away from direct sunlight and extreme temperatures.
- If not used for extended periods, charge the power bank at least once every three months to maintain battery health.

7. TROUBLESHOOTING

7.1 Device Not Charging

- Ensure the power bank is sufficiently charged. Check the LED indicators.
- Press the power button to activate the power bank.
- Check if the charging cable (built-in or external) is securely connected to both the power bank and your device.
- Try a different cable or port to rule out a faulty connection.
- For Apple Watch, ensure it is properly aligned on the magnetic charger.

7.2 Power Bank Not Recharging

- Verify that the USB-C input cable is correctly inserted into the power bank and the power source.
- Try a different USB wall adapter or USB port.
- Ensure the charging cable is not damaged.

7.3 Slow Charging

- Ensure your device supports fast charging and that you are using a compatible cable and port (USB-A or USB-C output).
- Charging multiple devices simultaneously may reduce individual charging speeds.
- When charging to 80%, the power bank activates smart trickle charging to protect your device's battery, which may appear slower.

7.4 Overheating

- It is normal for the power bank to become slightly warm during charging or discharging.
- If it becomes excessively hot, disconnect all devices and the power source immediately. Allow it to cool down before resuming use.
- Ensure proper ventilation and avoid covering the power bank during operation.

The power bank features a multi-protection smart microchip to protect against short circuit, overheating, overcharging, over voltage, and over current.

8. SPECIFICATIONS

Feature	Specification
Model Number	D6
Battery Capacity	10000mAh
USB-C Input	5V/3A, 9V/2A, 12V/1.5A
USB-C Output	5V/3A, 9V/2A, 12V/1.5A
USB-A Output	5V/3.1A, 9V/2.22A, 12V/1.67A

Feature	Specification
Built-in Cable Output	5V/2A (12W MAX)
Apple Watch Charger Output	2.5W (MAX)
Product Dimensions	2.95 x 0.79 x 4.68 inches
Item Weight	7.1 ounces
Color	Black
Included Components	Portable power bank, USB-C to USB-A cable

9. WARRANTY AND SUPPORT

RORRY is committed to providing high-quality products and excellent customer service. Your RORRY Portable Charger comes with the following support:

- **7X24H After-sales Service:** Dedicated support available around the clock.
- **30-Day Exchange Service:** Hassle-free exchange within 30 days of purchase.
- **12-Months Care Plan:** Comprehensive coverage for 12 months from the date of purchase.

For any inquiries, technical assistance, or warranty claims, please contact RORRY customer support through the retailer's platform or visit the official RORRY brand store online. Please have your product model number (D6) and purchase information ready when contacting support.
