Proper care will extend the life and appearance of your patio lounge set.

- **Rattan Frame:** The PE rattan is weather-resistant and easy to clean. Wipe down the frame with a damp cloth and mild soap solution. Rinse thoroughly and dry completely.
- **Tempered Glass Top:** Clean the glass surface with a damp cloth and a non-abrasive glass cleaner. Avoid harsh chemicals that may damage the glass or frame.
- **Cushions:** The cushion covers are made from 100% polyester fabric. Spot clean with a mild soap and water solution. For deeper cleaning, refer to any care labels on the cushions. It is recommended to store cushions indoors during prolonged periods of rain or when not in use to prevent mildew and fading.
- **Protection:** Always use a waterproof cover when the furniture is not in use, especially during inclement weather, to protect it from rain, sun, and dust.
- **Frame Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary.

If you encounter any issues with your patio lounge set, refer to the following common solutions:

- **Wobbling Furniture:** Check that all adjustable feet are properly installed and adjusted to level the furniture on uneven surfaces. Ensure all assembly screws are securely tightened.
- **Cushion Discoloration/Mildew:** This can occur if cushions are left exposed to moisture for extended periods. Ensure cushions are stored in a dry place when not in use. Clean affected areas with a mild bleach solution (test on an inconspicuous area first) or a specialized fabric cleaner.
