

Polibi Twin Size Metal Daybed with Adjustable Trundle

Polibi Twin Size Metal Daybed with Adjustable Pop-Up Trundle

Model: Twin Size Metal Daybed with Adjustable Trundle | Brand: Polibi

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Polibi Twin Size Metal Daybed with Adjustable Pop-Up Trundle. Please read all instructions carefully before assembly and use to ensure safe and proper operation of the product. Keep this manual for future reference.

SAFETY INFORMATION

- Ensure all parts are present and undamaged before beginning assembly.
- Do not use power tools for assembly as this may overtighten screws and damage the frame.
- Place the daybed on a level, stable surface.
- Do not exceed the maximum weight capacity of 220 lbs for both the main bed and the trundle.
- Keep small parts away from children during assembly to prevent choking hazards.
- Periodically check all connections and tighten as necessary.

PACKAGE CONTENTS

Your Polibi Twin Size Metal Daybed package includes all necessary hardware and components for assembly. A detailed instruction sheet with a parts list is provided within the packaging. Please verify all components are present before proceeding.

SETUP AND ASSEMBLY

Assembly of the Polibi Twin Size Metal Daybed requires two adults. Follow the step-by-step instructions provided in the included assembly guide. Ensure all bolts are securely fastened but do not overtighten until all components are aligned.

Image: The separate trundle bed frame, highlighting its robust metal slat construction and integrated wheels.

OPERATING THE **ADJUSTABLE TRUNDLE**

The Polibi Daybed features an adjustable pop-up trundle for additional sleeping space. To deploy the trundle:

1. Gently pull the trundle frame out from underneath the main daybed. The trundle is equipped with wheels for easy movement.
2. Once fully extended, locate the brace mechanisms on both sides of the trundle frame.
3. Lift the trundle frame upwards until the braces lock into place, raising the trundle to the height of the main daybed.
4. To store, release the brace mechanisms and carefully lower the trundle, then push it back under the main daybed.

Image: The Polibi Twin Size Metal Daybed with the pop-up trundle fully extended and raised, creating a larger sleeping area.

MAINTENANCE

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Inspection:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten if necessary.
- **Movement:** When moving the daybed, lift it rather than dragging to prevent damage to the frame or flooring.

TROUBLESHOOTING

- **Squeaking Noises:** Check all bolts and ensure they are securely tightened. Loose connections are a common cause of squeaking.
- **Trundle Difficulty Moving:** Ensure the trundle wheels are free of debris. Check that the trundle frame is properly

aligned and not obstructed.

- **Unstable Frame:** Verify that the daybed is placed on a flat, even surface and that all assembly steps have been completed correctly with all fasteners tightened.

SPECIFICATIONS

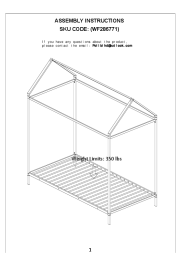

Product Dimensions (Overall)	78"L x 81.5"W x 27.8"H
Main Bed Dimension	75" x 39"
Trundle Dimension	74.8" x 39"
Material	Heavy-Duty Steel
Weight Capacity (Bed/Trundle)	220 lbs
