4. MAINTENANCE

To ensure the longevity and appearance of your case, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by wiping with a clean, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the case in a cool, dry place away from direct sunlight when not in use for extended periods.
- **Avoid Overstuffing:** Do not overfill the card slots or cash pocket, as this can stretch the material and compromise the case's closure and protective qualities.

5. TROUBLESHOOTING

- **Issue:** Phone does not fit securely in the case.
Solution: Ensure your phone is the QILIVE Smartphone 5.5 Q2 20. This case is specifically designed for this model. Remove any existing screen protectors or thick films that might interfere with the fit.
- **Issue:** Case appears dirty or stained.
Solution: Refer to the "Maintenance" section for proper cleaning instructions using a soft, damp cloth and mild soap.

- **Issue:** Flip cover does not close properly.

Solution: Check if the card slots or cash pocket are overstuffed. Remove excess cards or cash to allow the cover to close flush.
