## OPERATING INSTRUCTIONS

The Modway Awaken Bathroom Vanity Cabinet is designed for daily use in a bathroom or powder room setting. Its primary functions include providing a sink area and storage for bathroom essentials.

- **Sink Usage:** The ceramic sink basin is suitable for standard bathroom use. Ensure proper plumbing connections are made to prevent leaks.
- **Storage:** Utilize the internal shelves for organizing toiletries, cleaning supplies, and other bathroom items. The

design includes specific cutouts to accommodate plumbing, maximizing usable storage space.

- **Doors:** The cabinet features two doors with sleek gold hardware. Open and close doors gently to ensure longevity of hinges and cabinet structure.

## MAINTENANCE

---

Proper care and maintenance will ensure the longevity and appearance of your Modway Awaken Bathroom Vanity Cabinet.

- **Cleaning:** Wipe the vanity surfaces with a damp cloth. Avoid using harsh abrasive cleaners, as they can damage the finish. For the ceramic sink, use non-abrasive bathroom cleaners.
- **Spills:** Promptly wipe up any water spills or moisture to prevent damage to the wood and MDF components.
- **Hardware:** Periodically check and tighten any loose hardware, including door hinges and handles.
- **Avoid Excessive Weight:** Do not place excessively heavy items on the countertop or shelves to prevent structural damage.

## TROUBLESHOOTING

---

If you encounter any issues with your vanity cabinet, consider the following common solutions:

- **Loose Doors/Hardware:** Check if screws on hinges or handles are loose and tighten them with a screwdriver.
- **Wobbly Cabinet:** Ensure the vanity is placed on a level surface. Adjust the non-marking foot pads if necessary to stabilize the unit.
- **Plumbing Leaks:** If you notice any leaks from the sink or plumbing, immediately turn off the water supply and inspect all connections. Consult a professional plumber if you are unable to resolve the issue.
- **Odor:** New furniture may have a slight odor upon unboxing. Air out the cabinet in a well-ventilated area for a few days if an odor is present.

For issues not covered here, please contact Modway customer support.
