Merax B0C377QVMR

Merax Convertible Sleeper Sofa Chair Bed

Model: B0C377QVMR

1. INTRODUCTION

Thank you for purchasing the Merax Convertible Sleeper Sofa Chair Bed. This versatile furniture piece is designed to provide comfort and functionality, easily transforming from a sofa chair to a lounger or a bed. Please read this manual carefully before assembly and use to ensure proper installation, safe operation, and optimal performance of your product. Keep this manual for future reference.

2. SAFETY INSTRUCTIONS

Please observe the following safety precautions to prevent injury or damage to the product:

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the product on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly, as this may damage the threads or components.
- Keep small parts away from children to avoid choking hazards.
- Do not stand on the product or use it as a step stool.
- The maximum weight limit for this product is 330 lbs (150 kg). Do not exceed this limit.
- Regularly check all fasteners to ensure they remain tight.
- Avoid exposing the product to direct sunlight or extreme temperatures to prevent material degradation.

3. PACKAGE CONTENTS

Verify that all components are included in your package. If any parts are missing or damaged, please contact customer support.

- Sofa Chair Frame
- Seat Cushions (integrated)

- Backrest Cushion (integrated)
- Pillow
- Wooden Legs (4 pcs)
- Hardware Pack (screws, washers, Allen wrench)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this single sofa chair. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent damage.

2. **Attach Legs:** Locate the four wooden legs and the corresponding screws in the hardware pack. Align each leg with the pre-drilled holes on the bottom corners of the sofa chair frame. Securely fasten the legs using the provided screws and Allen wrench. Do not overtighten.

3. **Verify Stability:** Once all legs are attached, gently place the chair upright. Ensure it is stable and does not wobble. Adjust the legs if necessary.

4. **Final Check:** Confirm all screws are tightened and the chair is ready for use.

5. OPERATING INSTRUCTIONS

The Merax Convertible Sleeper Sofa Chair Bed offers three adjustable positions: sofa, lounger, and bed. Follow these steps to convert the chair:

1. **From Sofa to Lounger:** To convert the chair from a sofa to a lounger, pull the hidden extension mechanism located at the front base of the chair. The footrest section will slide out and lift into position.

2. **From Lounger to Bed:** To fully recline into a bed, adjust the backrest. This chair is equipped with a 3-level regulator, allowing angles of 105°, 145°, and 180°. Gently push the backrest backward until it clicks into your desired reclining position. For the full bed position, recline it completely to 180°.

3. **From Bed/Lounger to Sofa:** To return to the sofa position, first lift the backrest to its upright position. Then, push the footrest extension back into the base of the chair until it is fully retracted.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Merax Convertible Sleeper Sofa Chair Bed:

- **Cleaning:** For general cleaning, wipe the fabric with a clean, damp cloth. For spills, blot immediately with a clean, dry cloth. Do not rub. For stubborn stains, a mild fabric cleaner designed for upholstery may be used, following the product instructions. Always test on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or strong chemical solvents, as these can damage the fabric and frame.
- **Vacuuming:** Regularly vacuum the upholstery using a soft brush attachment to remove dust and debris.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.
- **Moving the Chair:** When moving the chair, lift it rather than dragging it to prevent damage to the legs and frame.

7. TROUBLESHOOTING

If you encounter any issues with your Merax Convertible Sleeper Sofa Chair Bed, refer to the following common problems and solutions:

- **Issue:** The chair wobbles after assembly.
  Solution: Ensure all leg screws are securely tightened. Check if the floor surface is even. If necessary, add felt pads under the legs to stabilize.

- **Issue:** The conversion mechanism is stiff or difficult to operate.
  Solution: Ensure no objects are obstructing the mechanism. Apply a small amount of silicone-based lubricant to moving metal parts if necessary, avoiding contact with fabric.

- **Issue:** Fabric appears wrinkled or creased.
  Solution: Light wrinkles are normal, especially after shipping. Gentle steaming or allowing the fabric to relax over time can help. Avoid direct heat.

- **Issue:** Noise during operation.
  Solution: Check all bolts and screws for tightness. Loose fasteners can cause creaking. Tighten any loose connections.

If the problem persists, please contact customer support for further assistance.

8. SPECIFICATIONS

Feature	Detail
Brand	Merax
Model Number	B0C377QVMR
