ROLOVE 8"L x 9"W

User Manual for ROLOVE Hollywood Vanity Mirror

Model: 8"L x 9"W

INTRODUCTION

This manual provides detailed instructions for the ROLOVE Hollywood Vanity Mirror, a portable tabletop makeup mirror featuring dimmable LED lighting, smart touch control, and a stable U-shaped bracket. Designed for both travel and home use, this mirror enhances your makeup application experience with adjustable illumination.

The ROLOVE Hollywood Vanity Mirror is crafted with an anti-rust aluminum frame and shatter-proof glass, ensuring durability and safety.

IMPORTANT SAFETY INFORMATION

WARNING: This mirror is NOT rechargeable. The light function requires the mirror to be continuously plugged into a USB socket. It does not operate on internal battery power.

- Ensure the mirror is placed on a stable, flat surface to prevent tipping.
- Keep the mirror away from water or excessive moisture.
- Do not attempt to disassemble or repair the mirror yourself. Contact customer support for assistance.
- Use only the provided USB cable or a compatible USB power source.

PACKAGE CONTENTS

Please verify that all items are present in the package:

- 1 x ROLOVE Hollywood Vanity Mirror (Model: 8"L x 9"W)
- 1 x USB Power Cable

SETUP

1. **Unpack the Mirror:** Carefully remove the mirror and all components from the packaging.
2. **Position the Mirror:** Place the mirror on a stable, flat tabletop or dressing surface. The U-shaped bracket provides inherent stability.
3. **Connect Power:** Insert the small end of the USB power cable into the USB port located on the back of the mirror. Plug the larger end of the USB cable into a compatible USB power adapter (not included) or a USB port on a computer or power bank.
4. **Adjust Angle:** The mirror features 360-degree rotation. Gently pivot the mirror frame to achieve your desired viewing angle.

OPERATING INSTRUCTIONS

The ROLOVE Hollywood Vanity Mirror is equipped with smart touch controls for easy operation of its LED lighting.

1. **Power On/Off:** Locate the power icon () on the mirror's surface. Tap this icon once to turn the LED lights on or off.
2. **Adjust Brightness:** With the lights on, press and hold the power icon (). The brightness of the LED lights will gradually increase or decrease. Release your finger when the desired brightness level is achieved.

ADJUST THE BRIGHTNESS TILL YOUR SATISFACTION

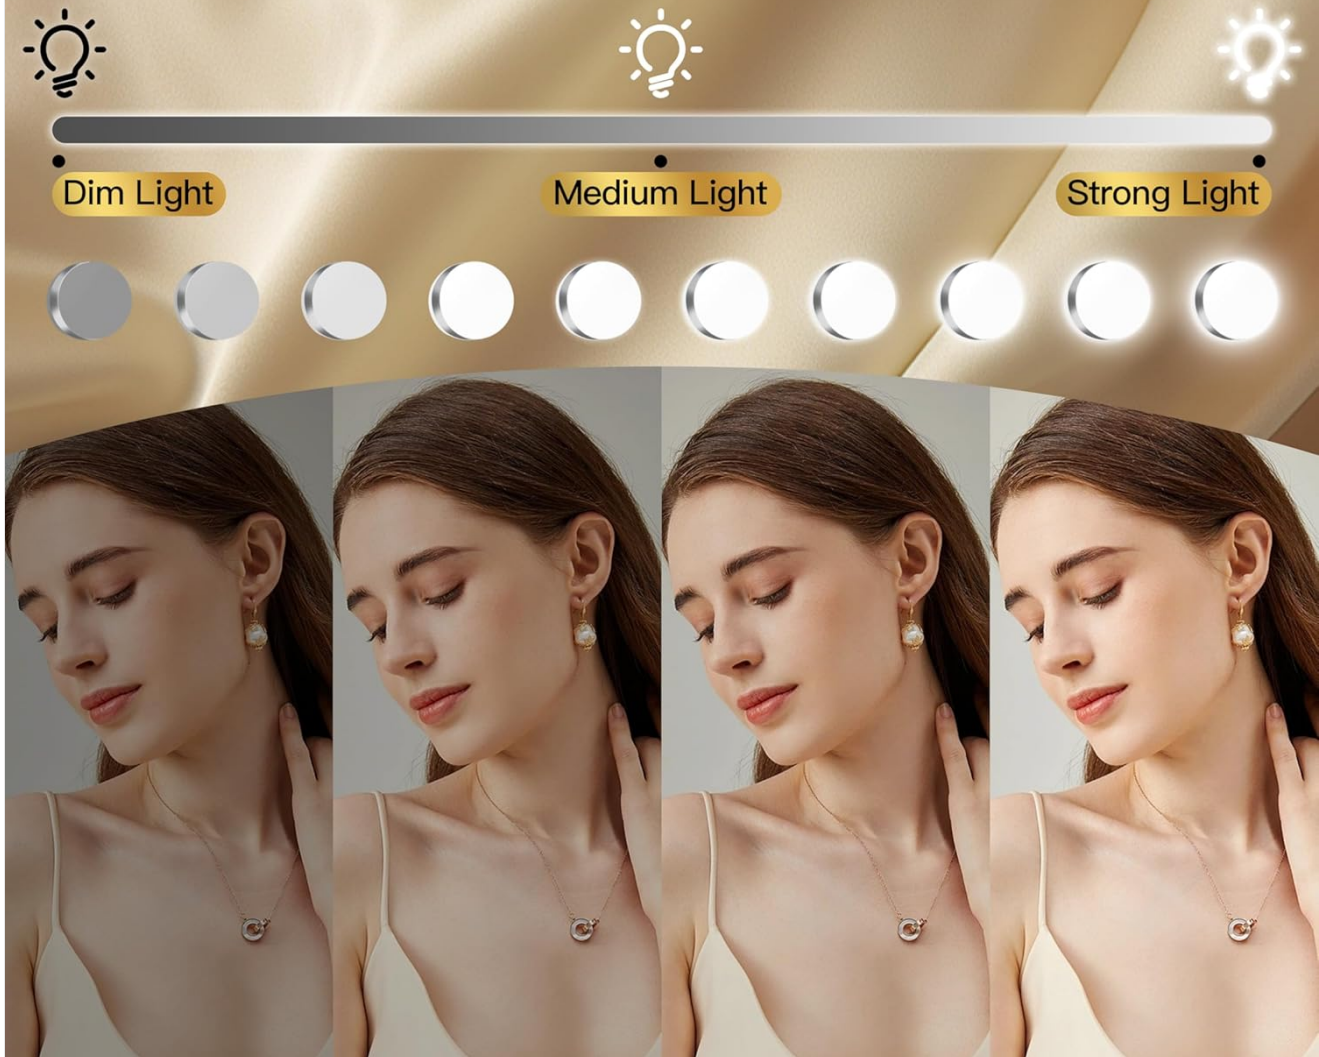

Image: A visual guide demonstrating the dimming function, showing how the light intensity can be adjusted from dim to strong, with corresponding facial illumination examples.

MAINTENANCE

To ensure the longevity and optimal performance of your ROLOVE Hollywood Vanity Mirror, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the mirror surface with a soft, lint-free cloth. For stubborn spots, a small amount of glass cleaner can be applied to the cloth (not directly to the mirror).
- **Frame Care:** Clean the aluminum frame with a soft, dry cloth. Avoid abrasive cleaners or solvents.
- **Storage:** When not in use for extended periods, store the mirror in a dry, cool place, away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lights do not turn on.	Mirror is not plugged in or power source is faulty.	Ensure the USB cable is securely connected to both the mirror and a working USB power source. Try a different USB port or adapter.
Lights flicker or are dim.	Insufficient power supply or loose connection.	Check USB connections. Ensure the power source provides adequate power (e.g., a standard 5V USB adapter).
Touch control is unresponsive.	Temporary software glitch or dirty sensor.	Unplug the mirror, wait 10 seconds, then plug it back in. Clean the touch control area with a soft, dry cloth.

If you continue to experience issues, please refer to the "Warranty and Support" section for contact information.

SPECIFICATIONS
