TecTake Garden Rattan and Steel Garden Set Instruction Manual

Model: B0C37DWFNM | Brand: tectake

INTRODUCTION

Thank you for choosing the TecTake Garden Rattan and Steel Garden Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor furniture. Please read these instructions carefully before assembly and retain them for future reference.

Image: The complete TecTake Garden Rattan and Steel Garden Set, featuring a modular sofa, a single armchair, and a glass-top coffee table, arranged outdoors next to a swimming pool.

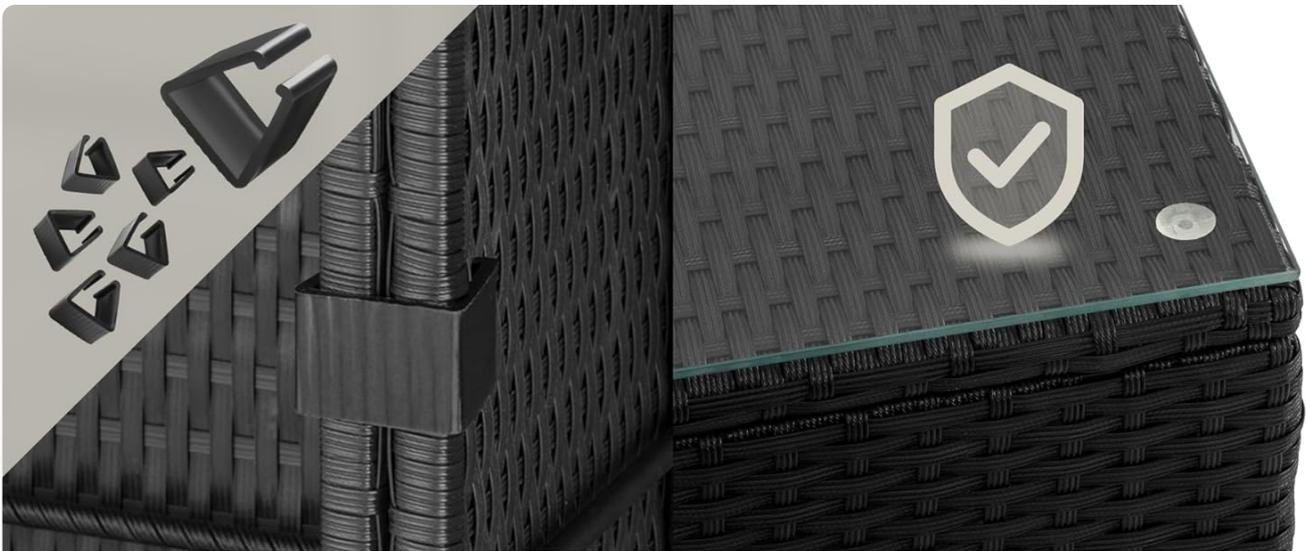

SAFETY INFORMATION

- **Attention:** Always follow the assembly instructions precisely. Incorrect assembly can lead to instability and potential injury.
- Do not overload the furniture. Refer to the specifications section for maximum weight capacities.
- Ensure all screws and connections are tightened securely before use. Periodically check and re-tighten as necessary.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Place the furniture on a flat, stable surface to prevent tipping.
- While weather-resistant, it is recommended to cover or store the furniture during extreme weather conditions (heavy rain, strong winds, snow) to prolong its lifespan.
- The glass tabletop is made of safety glass. Handle with care to avoid breakage.

ASSEMBLY INSTRUCTIONS (SETUP)

Assembly is required for this garden set. It is recommended that two people assemble the furniture for ease and safety.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part by comparing it with the parts list and diagrams in the included assembly instructions. Note that some parts may look similar; refer to the labels or specific details in the diagram.
2. **Assemble Individual Modules:** Follow the step-by-step diagrams in the separate assembly instructions to build each armchair, corner section, central section, stool, and table. Ensure all screws are aligned correctly and tightened firmly but do not overtighten until all parts are loosely connected.
3. **Attach Anti-Slip Feet:** Secure the anti-slip feet to the bottom of each furniture module. These feet provide stability and protect your flooring.
4. **Connect Modules:** Use the provided connection clips to link the individual sofa modules (armchair, corner sections, central section) together in your desired configuration. Ensure the clips are securely fastened to prevent modules from separating during use.
5. **Place Glass Tabletop:** Position the safety glass tabletop onto the table frame. The table is designed with 4 suction cups to secure the glass in place.
6. **Add Cushions:** Place the cushions on the seats and backrests of the assembled furniture.

Gracias a los **prácticos clips de unión**, los módulos individuales se pueden conectar según tus necesidades.

El resistente **tablero de cristal de seguridad** se fija de manera segura gracias a **4 ventosas**.

Los **pies antideslizantes** garantizan una mayor estabilidad en cualquier superficie y protegen el suelo.

Las **fundas de fácil cuidado** son a prueba de agua y, gracias a las cremalleras, se pueden quitar y lavar.

USAGE (OPERATING)

This garden set offers versatile arrangements to suit your outdoor space and needs.

- **Flexible Configuration:** The modular design allows you to arrange the armchair, corner sections, and central section in various layouts, such as an L-shape sofa, a straight sofa, or individual seating units. Use the connection clips to secure your chosen arrangement.
- **Multi-purpose Stool:** The included stool can be used as an additional seat, a comfortable footrest, or even as a small side table when not in use for seating.
- **Coffee Table:** The table with its safety glass top is ideal for placing drinks, snacks, or decorative items while enjoying your outdoor space.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your garden set.

- **Frame Cleaning:** Clean the rattan and steel frame with a damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly. Avoid abrasive cleaners or harsh chemicals.
- **Cushion Care:** The cushion covers are removable, washable, and water-repellent. For general cleaning, wipe with a damp cloth. For deeper cleaning, remove the covers and wash according to the care label instructions (typically hand wash or gentle machine wash). Ensure cushions are completely dry before storing to prevent mold or mildew.
- **Glass Tabletop:** Clean the glass tabletop with a standard glass cleaner and a soft cloth.
- **Weather Protection:** Although the set is weather-resistant, prolonged exposure to direct sunlight, heavy rain, or frost can affect its lifespan. It is advisable to use a protective cover or store the cushions and furniture indoors during adverse weather conditions or off-season.
- **Rust Prevention:** The steel frame is powder-coated for rust resistance. Inspect regularly for any chips or scratches

in the coating and touch up if necessary to prevent rust.

RESISTENTE A LA
intemperie

A prueba de agua

TROUBLESHOOTING

If you encounter any issues with your garden set, please refer to the following common solutions:

- **Instability/Wobbling:**

- Ensure all assembly screws are fully tightened.
- Verify that the furniture is placed on a level surface. Adjust anti-slip feet if necessary.
- Check that all connection clips between modules are securely fastened.

- **Missing or Damaged Parts:**

- Carefully re-check the packaging for any overlooked small parts.
- If parts are genuinely missing or arrived damaged (e.g., broken glass tabletop), contact the seller or

manufacturer's customer service immediately for assistance and replacement parts.

- **Difficulty Assembling:**

- Review the assembly instructions carefully, paying close attention to diagrams and part identification.
- Ensure you are using the correct screws and hardware for each step.
- Having a second person assist can significantly ease the assembly process.

SPECIFICATIONS

Model	B0C37DWFNM
Brand	tectake
Color	Black
Capacity	4-5 people
Overall Dimensions (approx.)	179 x 150 x 65 cm (Length x Width x Height)
Materials	Powder-coated steel, polyethylene (rattan), 100% polyester (cushions), glass (tabletop)
Product Weight	11.8 kg
Max. Load per Armchair	120 kg
Max. Load per Table	45 kg
Cushions Included	Yes (8 cushions total)
Assembly Required	Yes

WARRANTY AND SUPPORT

For warranty information, product support, or to inquire about replacement parts, please contact the seller or tectake customer service directly. Keep your purchase receipt and model number (B0C37DWFNM) handy when contacting support.
