# BeAndge BA2005 Baby Rattle Push and Go Cars Instruction Manual

Model: BA2005

Brand: BeAndge

## PRODUCT OVERVIEW

---

The BeAndge Baby Rattle Push and Go Cars are a set of three soft and flexible toy vehicles designed for infants and toddlers. These friction-powered cars feature integrated rattles, bright colors, and a durable, non-toxic construction, making them suitable for young children aged 6 months to 6 years. The set includes a turtle, a truck, and a crane-style car, each with a unique design and rattle sound.

## **WHAT'S IN THE BOX**

---

Your BeAndge Baby Rattle Push and Go Cars set includes:

- 1 Pink Turtle Rattle Car
- 1 Blue Truck Rattle Car
- 1 Purple Crane Rattle Car

## SETUP INSTRUCTIONS

---

The BeAndge Baby Rattle Push and Go Cars require minimal setup:

1. Remove the car from its packaging.
2. Place the car on a flat surface.
3. Give the car a gentle push to make it move forward.

## OPERATING INSTRUCTIONS

---

These cars are designed for easy and engaging play:

### Push and Go Feature

To activate the friction-powered movement, simply push the car forward gently. The internal mechanism will store energy, allowing the car to continue moving on its own for a short distance. This encourages crawling and chasing in young children.

### MAINTENANCE

To ensure the longevity and hygiene of your BeAndge Baby Rattle Push and Go Cars:

- Wipe clean with a damp cloth and mild soap as needed.
- Avoid submerging the toys in water.

- Do not use harsh chemicals or abrasive cleaners.
- Store in a dry place away from direct sunlight when not in use.

## SAFETY INFORMATION

---

Your child's safety is our priority. Please observe the following:

- The Mini Toy Car Set is made with non-toxic, baby-friendly materials.
- Recommended age: 6 months to 6 years. Always supervise children during play.
- The soft and flexible design minimizes risk during play and is safe for teething.
- Regularly inspect toys for any signs of wear or damage. Discontinue use if any parts become loose or broken.

## TROUBLESHOOTING

---

If you encounter any issues with your BeAndge Baby Rattle Push and Go Cars, consider the following:

- **Car not moving smoothly:** Ensure the car is on a flat, clean surface. Excessive debris or uneven

surfaces may hinder movement.

- **Rattle sound is faint:** Check if the internal rattle mechanism is obstructed. Gently shake the toy to ensure free movement of the rattle components.
- **General wear and tear:** While durable, prolonged rough play can affect the toy. Inspect regularly for any damage.
