MAINTENANCE

Proper care will ensure the longevity and appearance of your Bellemave bed frame.

- **Upholstery Care:** The velvet upholstered headboard and frame components should be dry cleaned only. Avoid using liquid cleaners or abrasive materials, as these may damage the fabric.
- **Frame Cleaning:** For the wooden and metal parts of the frame, wipe with a soft, damp cloth. Avoid harsh chemicals.
- **Hardware Check:** Periodically check all bolts and screws to ensure they are tight. Retighten as necessary to maintain stability.
- **Caster Maintenance:** Keep the casters on the drawers and trundle free of debris to ensure smooth operation.
