Maintenance

Proper care will ensure the longevity and appearance of your sofa.

- **Spot Cleaning:** For non-removable areas, blot and spot clean immediately with a clean, absorbent cloth and a water-free stain remover (Cleaning Code: S).
- **Cushion Covers:** Back cushion covers are removable and can be dry cleaned only. Seat cushion covers are attached and not removable.
- **General Cleaning:** Wipe clean with a dry cloth.
- **Safety:** All foam and upholstered surfaces meet flammability standards. Keep away from open flames or high heat sources. Supervise children and pets to avoid entrapment risks.

Troubleshooting

Most issues can be resolved with simple adjustments:

- **Loose Connections:** Ensure all modular pieces are securely connected using the provided brackets.
- **Cushion Appearance:** Cushions can be easily fluffed to maintain a clean and plush look.
- **Uneven Seating:** Verify that the sofa is placed on a flat, even surface.

If you encounter persistent issues, please refer to the support section for assistance.
